The Parliament of South Australia enacts as follows:

Part 1—Preliminary

1—Short title

This Act may be cited as the *Professional Standards Act 2004*.

3—Objects of Act

The objects of this Act are—

- (a) to enable the creation of schemes to limit the civil liability of professionals and others; and

- (b) to facilitate the improvement of occupational standards of professionals and others; and
- (c) to protect the consumers of the services provided by professionals and others; and
- (d) to establish the Professional Standards Council to supervise the preparation and approval of schemes and to assist in the improvement of occupational standards and protection of consumers.

4—Interpretation

- (1) In this Act, unless the contrary intention appears—

another jurisdiction means a State or Territory of the Commonwealth, other than this jurisdiction;

appropriate council, in relation to another jurisdiction, means the authority that, under the corresponding law of that jurisdiction, has functions that are substantially the same as the Council's functions under this Act;

business assets means the property of a person that is used in the performance of the person's occupation and that is able to be taken in proceedings to enforce a judgment of a court;

corresponding law means a law of another jurisdiction that corresponds to this Act, and includes a law of another jurisdiction that is declared by the regulations to be a corresponding law of that jurisdiction for the purposes of this Act;

costs includes fees, charges, disbursements and expenses;

Council means the Professional Standards Council established by this Act;

court includes a tribunal and an arbitrator;

damages means—

- (a) damages awarded in respect of a claim or counter-claim or claim by way of set-off; and
- (b) costs in or in relation to the proceedings ordered to be paid in connection with such an award (other than costs incurred in enforcing a judgment or incurred on an appeal made by a defendant); and
- (c) any interest payable in respect of those damages or costs;

exercise of a function includes, where the function is a duty, the performance of the duty;

function includes a power, authority and duty;

interstate scheme means a scheme—

- (a) that has been prepared under the corresponding law of another jurisdiction; and
- (b) that operates, or indicates an intention to operate, as a scheme of this jurisdiction;

judgment includes—

- (a) a judgment given by consent; and

- (b) a determination of a tribunal; and
- (c) an award of an arbitrator;

occupational association means a body corporate—

- (a) which represents the interests of persons who are members of the same occupational group; and
- (b) the membership of which is limited principally to members of that occupational group;

occupational group includes a professional group and a trade group;

occupational liability means civil liability arising (in tort, contract or under statute) directly or vicariously from anything done or omitted to be done by a member of an occupational association acting in the performance of his or her occupation;

partner means a person who is in a partnership within the meaning of the *Partnership Act 1891*;

scheme means a scheme for limiting the occupational liability of members of an occupational association, and includes an interstate scheme;

this jurisdiction means South Australia.

- (2) A reference in this Act to the amount payable under an insurance policy in respect of an occupational liability includes a reference to—
 - (a) defence costs payable in respect of a claim, or notification that may lead to a claim (other than reimbursement of the defendant for time spent in relation to the claim), but only if those costs are payable out of the 1 sum insured under the policy in respect of the occupational liability; and
 - (b) the amount payable under or in relation to the policy by way of excess.

5—Application of Act

- (1) Subject to this section, this Act applies to liability in damages arising—
 - (a) under the law of torts; or
 - (b) for breach of a contractual duty of care; or
 - (c) under statute.

 - (b) anything done or omitted to be done by a legal practitioner in acting for a client in a personal injury claim;
 - (c) an intentional tort;
 - (d) a breach of trust;
 - (e) fraud or dishonesty.
- (3) This Act does not apply to liability which may be the subject of proceedings under Part 18 of the *Real Property Act 1886*.

- (4) This Act does not apply to any cause of action arising under, or with respect to, a contract, or contractual relations, entered into before the commencement of this Act (whether or not the action lies in contract) unless the parties, after the commencement of this Act, vary the relevant contract so as to make express provision for the application of this Act.

6—Relationship of this Act to other laws

- (1) If a provision made by or under Part 3, 4 or 5 of this Act is inconsistent with a provision made by or under any other Act, that other provision prevails and the provision made by or under this Act is (to the extent of the inconsistency) of no force or effect.
- (2) Except as provided by subsection (1), this Act has effect despite any law to the contrary.

7—Act binds Crown

- (1) This Act binds the Crown in right of South Australia and, so far as the legislative power of the Parliament permits, the Crown in all its other capacities.
- (2) Nothing in this Act makes the Crown in any of its capacities liable to be prosecuted for an offence.

Part 2—Limitation of liability

Division 1—Making, amendment and revocation of schemes

8—Preparation and approval of schemes

- (1) An occupational association may prepare a scheme.
- (2) The Council may, on the application of an occupational association, prepare a scheme.
- (3) The Council may, on the application of an occupational association, approve a scheme prepared under this section.
- (4) A scheme prepared under this section may indicate an intention to operate as a scheme of this jurisdiction only, or of both this jurisdiction and another jurisdiction.

9—Public notification of schemes

- (1) Before approving a scheme, the Council must publish a notice in a daily newspaper circulating throughout the State—
 - (a) explaining the nature and significance of the scheme; and
 - (b) advising where a copy of the scheme may be obtained or inspected; and
 - (c) inviting comments and submissions within a specified time, but not less than 28 days after publication of the notice.
- (2) If the scheme indicates an intention to operate as a scheme of both this jurisdiction and another jurisdiction, the Council must also publish a similar notice in the other jurisdiction in accordance with the requirements of the corresponding law of that jurisdiction that relate to the approval of a scheme prepared in that jurisdiction.

10—Making of comments and submissions concerning schemes

- (1) Any person may make a comment or submission to the Council concerning a scheme of which notice has been published under section 9.
- (2) A comment or submission must be made within the period specified for that purpose in the notice or within such further time as the Council may allow.

11—Consideration of comments, submissions and other matters

- (1) Before approving a scheme, the Council must consider the following:
 - (a) all comments and submissions made to it in accordance with section 10;
 - (b) the position of persons who may be affected by limiting the occupational liability of members of the occupational association concerned;
 - (c) the nature and level of claims relating to occupational liability made against members of the occupational association concerned;
 - (d) the risk management strategies of the occupational association concerned;
 - (e) the means by which those strategies are intended to be implemented;
 - (f) the cost and availability of insurance against occupational liability for members of the occupational association concerned;
 - (g) the standards (referred to in section 29) determined by the occupational association concerned in relation to insurance policies;
 - (h) the provisions contained in the proposed scheme for the making and determination of complaints and the imposition and enforcement of disciplinary measures against members of the occupational association concerned,

and may consider such other matters as the Council thinks fit.

- (2) If the scheme indicates an intention to operate as a scheme of both this jurisdiction and another jurisdiction—
 - (a) the Council must also consider any matter that the appropriate Council for the other jurisdiction would have to consider under the provisions of the corresponding law of that jurisdiction that relate to the approval of a scheme prepared in that jurisdiction; and
 - (b) the matters to be considered by the Council (whether under subsection (1) or paragraph (a)) are to be considered in the context of each of the jurisdictions concerned.

12—Public hearings

- (1) The Council may conduct a public hearing concerning a scheme if the Council thinks it appropriate.
- (2) A public hearing may be conducted in such manner as the Council determines.

13—Submission of approved schemes for gazettal

- (1) The Council may submit a scheme approved by it to the Minister.

- (2) If the scheme indicates an intention to operate as a scheme of both this jurisdiction and another jurisdiction, the Council may also submit the scheme to the Minister administering the corresponding law of the other jurisdiction.

14—Gazettal, tabling and disallowance of schemes

- (1) The Minister may, after taking into account such matters as the Minister thinks fit, authorise the publication in the Gazette of a scheme submitted to the Minister by the Council or, in the case of an interstate scheme, by the appropriate Council for the jurisdiction in which the scheme was prepared.
- (2) Sections 10 (other than subsection (1)) and 10A of the *Subordinate Legislation Act 1978* apply to a scheme published in the Gazette under subsection (1) as though—
 - (a) the scheme were a regulation; and
 - (b) the regulation had been made when the scheme was published in the Gazette.
- (3) The Minister does not incur any liability for or in respect of a scheme in consequence of its authorisation, commencement or continued operation.
- (4) In this section, a reference to an *interstate scheme* includes a reference to an instrument amending an interstate scheme.

Note—

Subsection (4) applies subsections (1), (2) and (3) to instruments that amend an interstate scheme. Those subsections already apply, by virtue of section 18(5), to instruments that amend a scheme that is not an interstate scheme.

15—Commencement of schemes

- (1) A scheme published in the Gazette with the authorisation of the Minister commences—
 - (a) on such day after the date of its publication as may be specified by the Minister by notice in the Gazette; or
 - (b) if no such day is specified—2 months after the date of its publication.
- (2) This section is subject to any order of the Supreme Court under section 16 and any order made by the Supreme Court of another jurisdiction under the corresponding law of that jurisdiction.
- (3) In this section, a reference to a *scheme* includes, in the case of an interstate scheme, a reference to an instrument amending that scheme.

16—Challenges to schemes

- (1) A person who is, or is reasonably likely to be, affected by a scheme published as referred to in section 14 (including a person who is or is reasonably likely to be affected by a scheme that operates as a scheme of another jurisdiction) may, at any time before the expiration of the prescribed period, apply to the Supreme Court for an order that the scheme is void for want of compliance with this Act.
- (2) The Court may, on the making of the application or at any later time before the scheme commences, order that the commencement of the scheme is stayed until further order of the Court.

- (3) The Court, in relation to an application, may—
 - (a) make an order that a scheme is void for want of compliance with this Act; or
 - (b) decline to make such an order; or
 - (c) give directions as to the things that are required to be done in order that a scheme, the commencement of which is stayed under this section, may commence; or
 - (d) make any other order it thinks fit.
- (4) The Court may not make an order that an interstate scheme is void for want of compliance with this Act on the ground that the scheme fails to comply with Division 2, but may do so on the ground that the scheme fails to comply with the provisions of the corresponding law of the jurisdiction in which it was prepared that relate to the contents of schemes prepared in that jurisdiction.
- (5) This section does not prevent a scheme from being challenged or called into question otherwise than under this section.
- (6) In this section, a reference to a *scheme* includes, in the case of an interstate scheme, a reference to an instrument amending that scheme.

17—Review of schemes

- (1) The Minister may direct the Council to review the operation of a scheme.
- (2) The Council must comply with any such direction but may on its own initiative at any time (whether before or after the scheme ceases to have effect) review the operation of a scheme.
- (3) A review may, but need not, be conducted in order to decide—
 - (a) in the case of a scheme prepared under this Act—whether the scheme should be amended or revoked or whether a new scheme should be made; or
 - (b) in the case of an interstate scheme—whether the operation of the scheme should be terminated in relation to this jurisdiction.
- (4) Without limiting subsection (2), the Council may review the operation of a scheme that relates to the members of an occupational association if the association proposes under section 29 an alteration in the standards applying in relation to an insurance policy or kind of insurance policy that would, in the opinion of the Council, result in less stringent standards.

18—Amendment and revocation of schemes

- (1) An occupational association may prepare an instrument amending or revoking a scheme that relates to its members.
- (2) The Council may, on the application of an occupational association, prepare or approve an instrument amending or revoking a scheme that relates to the members of the association.
- (3) The Minister may direct the Council to prepare an instrument amending or revoking a scheme.

- (4) The Council must comply with any such direction but may on its own initiative, at any time while the scheme remains in force, prepare an instrument amending or revoking a scheme.
- (5) The provisions of sections 8 to 16 extend, with any necessary modifications, to the amendment of a scheme by an instrument under this section.
- (6) The provisions of sections 8 to 15 (other than section 13(2)) extend, with any necessary modifications, to the revocation of a scheme by an instrument under this section.
- (7) This section does not apply to an interstate scheme.

Note—

An instrument that amends a scheme operating in another jurisdiction may be submitted to the Minister administering the corresponding law of that jurisdiction under section 13 with a view to its being published under that law. An instrument made under that corresponding law of another jurisdiction that amends an interstate scheme may be submitted to the Minister administering this Act with a view to its being published under section 14.

18A—Notification of revocation of schemes

- (1) On publication in the Gazette of an instrument revoking a scheme (other than an interstate scheme) that operates as a scheme of another jurisdiction, the Minister must cause notice of that fact to be given to the Minister administering the corresponding law of that jurisdiction.
- (2) On receipt of notice that an interstate scheme has been revoked under the corresponding law of the jurisdiction in which it was prepared, the Minister must cause a statement to that effect to be published in the Gazette.

Note—

Under section 34(1a), an interstate scheme will cease to have effect in this jurisdiction when it ceases to have effect in the other jurisdiction.

18B—Termination of operation of interstate schemes in this jurisdiction

- (1) The Council may, on the application of an occupational association, prepare an instrument terminating, in relation to this jurisdiction, the operation of an interstate scheme that relates to members of the association.
- (2) The Minister may direct the Council to prepare an instrument terminating the operation of an interstate scheme in relation to this jurisdiction.
- (3) The Council must comply with any such direction but may, on its own initiative at any time while an interstate scheme remains in force, prepare an instrument terminating the operation of the scheme in relation to this jurisdiction.
- (4) The provisions of sections 9 to 14 (other than section 13(2)) extend, with any necessary modifications, to the termination of the operation of an interstate scheme under an instrument under this section.

- (5) The operation of an interstate scheme in respect of which an instrument under this section is published under section 14 (as applied by subsection (4)) is terminated, in relation to this jurisdiction, as from—
- (a) such day subsequent to the date of its publication as may be specified in the instrument; or
 - (b) if no such day is specified—2 months after the date of its publication.

Division 2—Contents of schemes

19—Persons to whom scheme applies

- (1) A scheme may provide that it applies to—
 - (a) all persons within an occupational association; or
 - (b) a specified class or classes of persons within an occupational association.
- (2) A scheme may provide that the occupational association concerned may, on application by a person, exempt the person from the scheme.
- (3) A scheme ceases to apply to a person exempted from the scheme as referred to in subsection (2)—
 - (a) on and from the date on which the exemption is granted; or
 - (b) on and from a later date specified in the exemption.
- (4) Subsection (2) does not apply to a person to whom a scheme applies by virtue of section 20, 21 or 22.

20—Officers or partners of persons to whom a scheme applies

- (1) If a scheme applies to a body corporate, the scheme also applies to each officer of the body corporate.
- (2) If a scheme applies to a person, the scheme also applies to each partner of the person.
- (3) However, if an officer of a body corporate or a partner of a person is entitled to be a member of the same occupational association as the body corporate or person, but is not a member, the scheme does not apply to that officer or partner.
- (4) In this section—

officer —

 - (a) in relation to a body corporate that is a corporation within the meaning of the *Corporations Act 2001* of the Commonwealth, has the same meaning as in section 82A of that Act; and
 - (b) in relation to a body corporate that is not a corporation within the meaning of that Act, means any person (by whatever name called) who is concerned in or takes part in the management of the body corporate.

21—Employees of persons to whom a scheme applies

- (1) If a scheme applies to a person, the scheme also applies to each employee of the person.

- (2) However, if an employee of a person is entitled to be a member of the same occupational association as the person, but is not a member, the scheme does not apply to that employee.

22—Other persons to whom a scheme applies

If persons are prescribed by the regulations for the purposes of section 31(4) as being associated with persons to whom a scheme applies, the scheme also applies to the prescribed persons.

23—Limitation of liability by insurance arrangements

A scheme may provide that if a person to whom the scheme applies and against whom a proceeding relating to occupational liability is brought is able to satisfy the court that—

- (a) the person has the benefit of an insurance policy insuring the person against the occupational liability to which the cause of action relates; and
- (b) the amount payable under the policy in respect of that occupational liability is not less than the amount of the monetary ceiling specified in the scheme in relation to the class of person and the kind of work to which the cause of action relates,

the person is not liable in damages in relation to that cause of action above the amount of that monetary ceiling.

24—Limitation of liability by reference to amount of business assets

A scheme may provide that if a person to whom the scheme applies and against whom a proceeding relating to occupational liability is brought is able to satisfy the court—

- (a) that the person has business assets the net current market value of which is not less than the amount of the monetary ceiling specified in the scheme in relation to the class of person and the kind of work to which the cause of action relates; or
- (b) that—
 - (i) the person has business assets and the benefit of an insurance policy that insures the person against that occupational liability; and
 - (ii) the net current market value of the business assets and the amount payable under the policy in respect of that occupational liability, if combined, would total an amount that is not less than the amount of the monetary ceiling specified in the scheme in relation to the class of person and the kind of work to which the cause of action relates,

the person is not liable in damages in relation to that cause of action above the amount of the monetary ceiling so specified.

25—Limitation of liability by multiple of charges

- (1) A scheme may provide that if a person to whom the scheme applies and against whom a proceeding relating to occupational liability is brought is able to satisfy the court—
- (a) that the person has the benefit of an insurance policy—
 - (i) that insures the person against that occupational liability; and

- (ii) under which the amount payable in respect of that occupational liability is not less than an amount (the *limitation amount*), being a reasonable charge for the services provided by the person or which the person failed to provide and to which the cause of action relates, multiplied by the multiple specified in the scheme in relation to the class of person and the kind of work to which the cause of action relates; or
- (b) that the person has business assets the net current market value of which is not less than the limitation amount; or
- (c) that—
 - (i) the person has business assets and the benefit of an insurance policy that insures the person against that occupational liability; and
 - (ii) the net current market value of the assets and the amount payable under the policy in respect of that occupational liability, if combined, would total an amount that is not less than the limitation amount,
 the person is not liable in damages in relation to that cause of action above the limitation amount or, if the scheme specifies a minimum cap determined by the Council for the purposes of the scheme that is higher than the limitation amount, above the amount of the minimum cap so specified.
- (2) In determining the amount of a reasonable charge for the purposes of a provision made under subsection (1), a court is to have regard to any amount actually charged and to—
 - (a) the amount that would ordinarily be charged in accordance with a scale of charges accepted by the occupational association of which the person is a member; or
 - (b) if there is no such scale, the amount that a competent person of the same qualifications and experience as the person would be likely to charge in the same circumstances.
- (3) This section does not limit an amount of damages to which a person is liable if the amount is less than the amount specified for the purpose in the scheme in relation to the class of person and the kind of work concerned.

26—Specification of different limits of liability

A scheme may—

- (a) specify the same maximum amount of liability in relation to all cases to which the scheme applies or different maximum amounts of liability for different cases or classes of case or for the same case or class of case for different purposes; and
- (b) confer a discretionary authority on an occupational association, on application by a person to whom the scheme applies, to specify in relation to the person a higher maximum amount of liability than would otherwise apply under the scheme in relation to the person either in all cases or in any specified case or class of case.

27—Combination of provisions under sections 23, 24 and 25

If, in a scheme, provisions of the kind referred to in section 25 and provisions of the kind referred to in section 23 or 24 (or both) apply to a person at the same time in respect of the same kind of work, the scheme must provide that the damages which may be awarded against the person are to be determined in accordance with section 25 but must not exceed the amount of the monetary ceiling specified in relation to the class of person and the kind of work in the provisions of the kind referred to in section 23 or 24.

28—Amount below which liability cannot be limited

- (1) The amount of any limitation under a scheme affecting a liability for damages arising from a single claim (including a claim by a person who has 2 or more causes of action arising out of a single event) will be such amount (but not less than \$500 000) as is determined for the purposes of the scheme by the Council and specified in the scheme.
- (2) In making a determination, the Council must have regard to—
 - (a) the number and amounts of claims made against persons within the occupational association concerned; and
 - (b) the need to adequately protect consumers.
- (3) A Council determination applies only to a cause of action founded on an act or omission arising after the determination takes effect.

28A—Liability in damages not reduced to below relevant limit

The liability in damages of a person to whom a scheme applies is not reduced below the relevant limitation imposed by a scheme in force under this Act because the amount available to be paid to the claimant under the insurance policy required for the purposes of this Act in respect of that liability is less than the relevant limitation.

Note—

Section 4(2) permits a defence costs inclusive policy for the purposes of the Act, which may reduce the amount available to be paid to a client in respect of occupational liability covered by the policy. Section 28A makes it clear that this does not reduce the cap on the liability of the scheme participant to the client and, accordingly, the scheme participant will continue to be liable to the client for the amount of any difference between the amount payable to the client under the policy and the amount of the cap.

29—Insurance to be of requisite standard

- (1) For the purposes of a scheme, an insurance policy must be a policy, or a policy of a kind, which complies with standards determined by the occupational association whose members may be insured under such a policy, or a policy of such a kind.
- (2) While a scheme remains in force relating to its members, if an occupational association proposes to alter the standards previously determined by it in relation to an insurance policy or a kind of insurance policy, it must submit the proposal to the Council for approval.
- (3) The Council may approve, or refuse to approve, a proposal submitted to it under subsection (2).

Note—

The Council may review the scheme under section 17 when the occupational association proposes less stringent insurance standards.

- (4) If the Council refuses to approve the proposal, the standards remain as previously determined by the occupational association.

Division 3—Effect of schemes**30—Limit of occupational liability by schemes**

- (1) To the extent provided by this Act and the provisions of the scheme, a scheme limits the occupational liability, in respect of a cause of action founded on an act or omission occurring during the period when the scheme is in force, of any person to whom the scheme applied at the time when the act or omission occurred.
- (2) The applicable limitation of liability is the limitation specified by the scheme as in force at the time at which the act or omission giving rise to the cause of action concerned occurred.
- (3) A limitation of liability that, in accordance with this section, applies in respect of an act or omission continues to apply to every cause of action founded on it, irrespective of when the proceedings are brought in respect of it, and even if the scheme has been amended or has, in accordance with section 34, ceased to be in force.
- (4) A person to whom a scheme applies cannot choose not to be subject to the scheme, except in accordance with provisions included in the scheme under section 19(2).

31—Limitation of amount of damages

- (1) A limitation imposed by a scheme in force under this Act of an amount of damages is a limitation of the amount of damages that may be awarded for a single claim and is not a limitation of the amount of damages that may be awarded for all claims arising out of a single event.
- (2) Separate claims by 2 or more persons who have a joint interest in a cause of action founded on the same act or omission are to be treated as a single claim for the purposes of this Act.
- (3) 2 or more claims by the same person arising out of a single event against persons to whom a scheme in force under this Act applies and who are associated are to be treated as a single claim for the purposes of this Act.
- (4) Persons are associated if they are—
 - (a) officers of the same body corporate (within the meaning of section 20); or
 - (b) partners, employees of the same employer or in the relationship of employer and employee; or
 - (c) persons who are prescribed by the regulations for the purposes of this subsection.

32—Effect of scheme on other parties to proceedings

A scheme does not limit the liability of a person who is a party to proceedings if the scheme does not apply to the person.

33—Proceedings to which a scheme applies

A scheme in force under this Act applies to proceedings relating to an act or omission that occurred after the commencement of the scheme.

34—Duration of scheme

- (1) A scheme must specify the period (not exceeding 5 years) for which it is to remain in force after its commencement.
- (1a) Subject to subsection (2)—
 - (a) a scheme that is an interstate scheme remains in force in this jurisdiction until—
 - (i) the period specified under subsection (1) ends; or
 - (ii) the scheme's operation in relation to this jurisdiction is terminated under section 18B; or
 - (iii) the scheme ceases to have effect in the jurisdiction in which it was prepared; or
 - (iv) the scheme is disallowed under section 10 of the *Subordinate Legislation Act 1978*; and
 - (b) any other scheme remains in force until—
