(a) where the worker was, immediately before the relevant date, employed by more than one employer—aggregate earnings from all employment shall be taken into account; and

(b) subject to subsection (3)—

(i) the actual weekly earnings of the worker over a period of up to 12 months before the relevant date may be taken into account; and

(ii) if by reason of the shortness of time during which the worker has been in employment, the terms of the worker's employment or for any other reason, it is not possible to arrive at a fair average, the worker's average weekly earnings may be determined by reference to the average weekly amount being earned by other persons in the same employment who perform similar work at the same grade as the worker or, if there is no person so employed, by other persons in the same class of employment who perform similar work at the same grade as the worker.

(3) Where a worker is a contractor rather than an employee, the worker's average weekly earnings shall be determined by reference to the rate of pay that the worker would have received if the worker had been working as an employee and, if there is an award or industrial agreement applicable to the class and grade of work in which the worker was engaged, the worker's average weekly earnings shall be determined by reference to that award or industrial agreement.

(4) Where because of the gradual onset of a compensable disability it appears that the level of earnings of a disabled worker prior to the relevant date were affected by the disability, the average weekly earnings of the worker shall be set at an amount that fairly represents the weekly amount that the worker would have been earning if the level of earnings had not been so affected.

(5) The average weekly earnings of a disabled worker who—

(a) was not a full-time worker immediately prior to the relevant date; and

(b) immediately prior to the relevant date had been seeking full-time employment; and

(c) had been predominantly during the preceding 18 months a full-time worker,

shall be determined as if the worker had been a full-time worker.

(6) Where a permanently incapacitated worker is under the age of 21 years, the average weekly earnings of the worker shall be determined as if the worker had attained the age of 21 years and where a permanently incapacitated worker is an apprentice, the average weekly earnings of the worker shall be determined as if the worker had completed the apprenticeship.

(7) Notwithstanding the foregoing provisions of this section—

- (a) where a disabled worker's remuneration was, at the relevant date, covered by an award or industrial agreement, the worker's average weekly earnings shall not be less than the weekly wage to which the worker was then entitled under the award or industrial agreement;
- (b) if, but for this paragraph, the average weekly earnings of a worker (not being a self-employed worker) would be less than the prescribed amount, the average weekly earnings shall be fixed at the prescribed amount;
- (c) the average weekly earnings of a worker shall in no case be fixed at more than twice State average weekly earnings.

(8) For the purposes of determining the average weekly earnings of a worker—

- (a) any component of the worker's earnings attributable to overtime will be disregarded unless—
 - (i) the worker worked overtime in accordance with a regular and established pattern; and
 - (ii) the pattern was substantially uniform as to the number of hours of overtime worked; and
 - (iii) the worker would have continued to work overtime in accordance with the established pattern if he or she had not been disabled; and
- (ab) any contribution paid or payable by an employer to a superannuation scheme for the benefit of the worker will be disregarded; and
- (b) any prescribed allowances will be disregarded.

(9) In this section—

- (a) a reference to the relevant date is—
 - (i) a reference to the date of the commencement of the period of the worker's incapacity for work or, where the worker has been incapacitated for work as a result of the same disability for a number of separate periods, a reference to the date of the commencement of the last such period of incapacity; or
 - (ii) where the worker is dead and the death was not immediately preceded by a period of incapacity for work in respect of which the worker received compensation under this Act—a reference to the date of the worker's death; and
- (b) a reference to State average weekly earnings is a reference to the amount last published before the relevant date by the Commonwealth Statistician as an estimate of Average Weekly Earnings for Ordinary Hours of Work for each Full-time Employed Male Unit in this State.

Workers Rehabilitation and Compensation Act 1986

- (b) employment outside the State of a worker who is predominantly employed in the State; or
- (c) employment outside the State by the Crown in right of the State; or
- (d) employment on a South Australian ship; or
- (e) employment outside the State (not being employment in respect of which the worker is protected by a corresponding law)—
 - (i) to which a worker regularly travels from a port or place in the State; or
 - (ii) which forms part of the employment of a worker who is employed both in and outside the State.

(2) Where—

- (a) a worker (not being an officer or employee of the Crown in right of the State) is employed both in and outside the State, but predominantly outside the State; and
- (b) the worker is, in respect of employment in the State, protected by a corresponding law,

this Act does not apply in respect of the employment in the State.

(4) The Corporation may admit a disabled worker to a rehabilitation programme notwithstanding that it has not been finally established that the worker's disability is compensable.

Clinics and other facilities

27. (1) In the exercise of its powers under this Division, the Corporation should seek to utilise rehabilitation facilities and services provided by the employer of a disabled worker.

(2) In the exercise of its powers under this Division, the Corporation should give encouragement and assistance to the establishment and provision of rehabilitation facilities and services in the private sector.

(3) No statement made by or to a rehabilitation adviser in respect of a worker who is participating in a rehabilitation programme shall be subsequently disclosed in any proceedings under this Act unless the rehabilitation adviser and the worker consent to the disclosure.

DIVISION 2—DISABILITY PREVENTION PROGRAMMES

Prevention programmes

29. The Corporation may assist employers to establish or maintain programmes that are designed to prevent or reduce the incidence of compensable disabilities.

**PART 4
COMPENSATION**

DIVISION 1—CONDITIONS UNDER WHICH DISABILITY IS COMPENSABLE

Compensability of disabilities

30. (1) Subject to this Act, a disability is compensable if it arises from employment.

(2) Subject to this section, a disability arises from employment if—

(a) in the case of a disability that is not a secondary disability or a disease—it arises out of or in the course of employment; or

(b) in the case of a disability that is a secondary disability or a disease—

(i) the disability arises out of employment; or

(ii) the disability arises in the course of employment and the employment contributed to the disability.

(3) A worker's employment includes—

(a) attendance at the worker's place of employment on a working day but before the day's work begins in order to prepare, or be ready, for work; and

(b) attendance at the worker's place of employment during an authorised break from work; and

(c) attendance at the worker's place of employment but after work ends for the day while the worker is preparing to leave, or in the process of leaving, the place; and

(d) attendance at an educational institution under the terms of an apprenticeship or other legal obligation, or at the employer's request or with the employer's approval; and

(e) attendance at a place to receive a medical service, to obtain a medical report or certificate (or to be examined for the purpose), to participate in a rehabilitation program, or to apply for, or receive, compensation for a compensable disability.

(4) However, a disability does not arise from employment if it arises out of, or in the course of, the worker's involvement in a social or sporting activity, except where the activity forms part of the worker's employment or is undertaken at the direction or request of the employer.

(5) A disability that arises out of, or in the course of, a journey arises from employment only if—

- (a) the journey is undertaken in the course of carrying out duties of employment; or
- (b) the journey is between—
 - (i) the worker's place of residence and place of employment; or
 - (ii) the worker's place of residence or place of employment and—
 - an educational institution the worker attends under the terms of an apprenticeship or other legal obligation, or at the employer's request or with the employer's approval; or
 - a place the worker attends to receive a medical service, to obtain a medical report or certificate (or to be examined for that purpose), to participate in a rehabilitation program, or to apply for, or receive, compensation for a compensable disability,

and there is a real and substantial connection between the employment and the accident out of which the disability arises.

(6) However, the fact that a worker has an accident in the course of a journey to or from work does not in itself establish a sufficient connection between the accident and the employment for the purposes of subsection (5)(b).

(7) The journey between places mentioned in subsection (5)(b) must be a journey by a reasonably direct route but may include an interruption or deviation if it is not, in the circumstances of the case, substantial, and does not materially increase the risk of injury to the worker.

Stress-related disabilities

30A. A disability consisting of an illness or disorder of the mind caused by stress is compensable if and only if—

- (a) stress arising out of employment was a substantial cause of the disability; and
- (b) the stress did not arise wholly or predominantly from—
 - (i) reasonable action taken in a reasonable manner by the employer to transfer, demote, discipline, counsel, retrench or dismiss the worker; or
 - (ii) a decision of the employer, based on reasonable grounds, not to award or provide a promotion, transfer, or benefit in connection with the worker's employment; or
 - (iii) reasonable administrative action taken in a reasonable manner by the employer in connection with the worker's employment; or
 - (iv) reasonable action taken in a reasonable manner under this Act affecting the worker.

Workers Rehabilitation and Compensation Act 1986

Effect of misconduct, etc.

30B. (1) A worker who is acting in connection with, and for the purposes of, the employer's trade or business is presumed to be acting in the course of employment despite the fact that—

- (a) the worker is acting in contravention of a statutory or other regulation applicable to the employment; or
- (b) the worker is acting without, or in contravention of, instructions from the employer.

(2) However—

- (a) a worker will not be presumed to be acting in the course of employment if the worker is guilty of misconduct or acts in contravention of instructions from the employer during the course of an attendance under section 30(3); and
- (b) a disability is not compensable if it is established on the balance of probabilities that the disability is wholly or predominantly attributable to—
 - (i) serious and wilful misconduct on the part of the worker; or
 - (ii) the influence of alcohol or a drug voluntarily consumed by the worker (other than a drug lawfully obtained and consumed in a reasonable quantity by the worker).

(3) Subsection (2)(a) does not apply in a case of death or permanent total incapacity for work and subsection (2)(b) does not apply in a case of death or serious and permanent disability.

Evidentiary provision

31. (1) A disability is not compensable unless it is established on the balance of probabilities that it arises from employment.

(2) However, if a worker suffers a disability of a kind referred to in the first column of schedule 2 and has been employed in work of a type referred to in the second column of schedule 2 opposite the disability, the worker's disability is presumed, in the absence of proof to the contrary, to have arisen from that employment.

(3) A regulation made on the recommendation, or with the approval, of the Corporation or the Advisory Committee may extend the operation of subsection (2) to disabilities and types of work prescribed in the regulation.

(4) Where a worker retires or is retired from employment on account of age or ill-health and the worker makes a claim for noise induced hearing loss after the expiration of two years from the date of the retirement, subsection (2) does not apply in relation to that claim.

(5) Where—

- (a) a worker's disability consists of the aggravation, acceleration, exacerbation, deterioration or recurrence of a pre-existing coronary heart disease; and
- (b) the disability arises in the course of employment,

it will be presumed, in the absence of proof to the contrary, that the employment contributed to the disability.

DIVISION 2—COMPENSATION FOR MEDICAL EXPENSES, ETC.

Compensation for medical expenses, etc.

32. (1) Subject to this section, a worker is entitled to be compensated for costs of a kind described in subsection (2) reasonably incurred by the worker in consequence of having suffered a compensable disability.

(1a) For the purposes of subsection (1), the amount of compensation will be determined—

- (a) according to scales published by the Corporation in the *Gazette* under subsection (9); or
- (b) if a particular cost is not fixed by such a scale—according to what is a reasonable amount for the provision of the service in respect of which compensation is payable.

(2) The costs referred to in subsection (1) are as follows:

- (a) the cost of medical services;
- (b) the cost of hospitalisation and all associated medical, surgical and nursing services;
- (c) the cost of approved rehabilitation;
- (d) the cost of travelling, or being transported, to and from any place for the purpose of receiving medical services, hospitalisation or approved rehabilitation (but not where the worker travels in a private vehicle);
- (e) where it is necessary for the worker to be accommodated away from home for the purpose of receiving medical services or approved rehabilitation—the cost of such accommodation (but not exceeding limits prescribed by regulation);
- (f) the cost of attendance by a registered or enrolled nurse, or by some other person approved by the Corporation or of a class approved by the Corporation, where the disability is such that the worker must have nursing or personal attendance;
- (g) the cost of the provision, maintenance, replacement or repair of therapeutic appliances;
- (h) the cost of medicines and other material purchased on the prescription or recommendation of a medical expert;
- (i) any other costs (or classes of costs) authorised by the Corporation.

(3) Compensation in respect of costs to which this section applies may be paid—

- (a) to the worker; or
- (b) directly to the person to whom the worker is liable for those costs.

(4) Where a worker has been charged more than the amount that the worker is entitled to claim for the provision of a service in respect of which compensation is payable under this section, the Corporation may reduce the charge by the amount of the excess.

(4a) A decision of the Corporation under subsection (4) is not reviewable.

Workers Rehabilitation and Compensation Act 1986

(5) Where—

- (a) services of a kind to which this section applies were provided to a worker in relation to a compensable disability; and
- (b) the Corporation considers that the services were, in the circumstances of the case, inappropriate or unnecessary,

the Corporation may disallow charges for the services.

(6) Where the Corporation disallows or reduces a charge under this section—

- (a) it must give to the provider of the service a notice setting out—
 - (i) the basis of the Corporation's decision to disallow or reduce the charge; and
 - (ii) where the charge has been disallowed under subsection (5) the provider's right to have the decision reviewed under this Act; and
- (b) the worker is not liable to the provider for the disallowed charge, or for more than the reduced charge, (as the case requires) and, if the worker has in fact paid an amount for which he or she is not liable, the Corporation will reimburse the worker for that amount and may recover it from the provider as a debt.

(7) Where a worker travels in a private vehicle to or from any place for the purpose of receiving medical services, hospitalisation or approved rehabilitation, and the travel is reasonably necessary in the circumstances of the case, the worker is entitled to a travel allowance at rates fixed by a scale published under this section.

(8) A reference in this section to approved rehabilitation is a reference to rehabilitation programmes or services provided by a person who has an agreement with the Corporation for the provision of those programmes or services.

(9) Subject to subsection (10), the Corporation—

- (a) will, by notice published in the *Gazette* fix scales of charges for the purposes of this section (ensuring so far as practicable that the scales comprehensively cover the various kinds of services to which this section applies); and
- (b) may, by subsequent notice in the *Gazette*, vary the scales so published.

(10) The Corporation must, before fixing or varying a scale under this section, consult with—

- (a) the Self-Insurers Association of South Australia Incorporated; and
- (b) associations or persons who, in the opinion of the Corporation, represent persons who provide the kinds of services to which this section applies.

Transportation for initial treatment

33. (1) Where—

- (a) a worker is injured at the worker's place of employment during the course of employment; and

(b) the injury is such as to require immediate medical treatment,

the employer shall, at the employer's own expense, provide the worker with immediate transportation to a hospital or medical expert for initial treatment.

(2) If an employer fails to provide transportation in accordance with subsection (1), the cost may be recovered by the Corporation from the employer as a debt due to the Corporation.

(3) An amount recovered by the Corporation under subsection (2) shall, if the worker incurred costs in consequence of the employer's failure to provide transportation, be paid to the worker.

(4) If the cost of transportation provided by an employer (other than an exempt employer) to a worker in accordance with subsection (1) exceeds an amount prescribed by the regulations, the employer is, on application to the Corporation in a manner and form approved by the Corporation, entitled to recover the excess from the Corporation.

DIVISION 3—COMPENSATION FOR PROPERTY DAMAGE

Compensation for property damage

34. (1) Where a worker suffers a compensable disability and, in consequence of the trauma out of which the disability arose, damage occurs to any therapeutic appliances, clothes, personal effects or tools of trade of the worker, the worker is, subject to limitations prescribed by regulation, entitled to be compensated for the full amount of the damage.

(2) An entitlement under subsection (1) does not extend to compensation for damage to a motor vehicle.

DIVISION 4—COMPENSATION BY WAY OF INCOME MAINTENANCE

Weekly payments

35. (1) Subject to this Act, where a worker suffers a compensable disability that results in incapacity for work, the worker is entitled to weekly payments in respect of that disability in accordance with the following principles:

(a) if the period of incapacity for work does not exceed one year—

- (i) the worker is, if totally incapacitated for work, entitled for the period of incapacity to weekly payments equal to the worker's notional weekly earnings;
- (ii) the worker is, if partially incapacitated for work, entitled for the period of incapacity to weekly payments equal to the difference between the worker's notional weekly earnings and the weekly earnings that the worker is earning or could earn in suitable employment;

(b) if the period of incapacity for work exceeds one year, the worker is entitled to weekly payments determined in accordance with paragraph (a) for the first year of the period of incapacity and thereafter—

- (i) the worker is, if totally incapacitated for work, entitled for the period of incapacity to weekly payments equal to 80 per cent of the worker's notional weekly earnings;

Workers Rehabilitation and Compensation Act 1986

- (ii) the worker is, if partially incapacitated for work, entitled for the period of incapacity to weekly payments equal to 80 per cent of the difference between the worker's notional weekly earnings and the weekly earnings that the worker is earning or could earn in suitable employment that the worker has a reasonable prospect of obtaining.

(2) For the purposes of subsection (1)—

- (a) a partial incapacity for work over a particular period shall be treated as a total incapacity for work over that period unless the Corporation establishes that suitable employment for which the worker is fit is reasonably available to the worker in respect of that period (but where the period of incapacity extends beyond a period of two years, this paragraph does not apply to a period commencing after, or extending beyond, the end of the second year of incapacity); and
- (b) the following factors shall be considered, and given such weight as may be fair and reasonable, in making an assessment of the prospects of a worker to obtain employment—
 - (i) the nature and extent of the worker's disability; and
 - (ii) the worker's age, level of education and skills; and
 - (iii) the worker's experience in employment; and
 - (iv) the worker's ability to adapt to employment other than the employment in which he or she was engaged at the time of the occurrence of the disability.

(2a) Where—

- (a) a period of incapacity for work exceeds two years; and
- (b) an assessment of the weekly earnings that the worker is earning or could earn in suitable employment is made under subsection (1)(b)(ii); and
- (c) the worker's actual weekly earnings subsequently exceed the amount so assessed,

the Corporation cannot reduce the weekly payments to reflect the worker's actual weekly earnings except to the extent that the aggregate of the weekly payment plus the actual weekly earnings (excluding prescribed allowances) exceeds the notional weekly earnings of the worker.

(3) Subject to subsection (4), where a disabled worker receives from an employer a payment, allowance or benefit in respect of a period of incapacity for work, the weekly payments payable to the worker under this section in respect of that period shall not, unless the Corporation determines otherwise, be reduced to take account of the value of that payment, allowance or benefit.

(4) No reduction shall be made under subsection (3) on account of—

- (a) any payment, allowance or benefit related to annual or other leave;
- (b) any payment, allowance or benefit paid or conferred by the employer on the worker's retirement;
- (c) any payment, allowance or benefit paid or conferred under a superannuation or pension scheme;

(d) any payment, allowance or benefit paid or conferred on the retrenchment, or in relation to the redundancy, of the worker.

(5) Weekly payments are not payable in respect of a period of incapacity for work falling after the later of the following dates—

(a) the date on which the worker attains the age at which the worker would, subject to satisfying any other qualifying requirements, be eligible to receive an age pension under the *Social Security Act 1947* of the Commonwealth; or

(b) the date on which the worker attains the normal retiring age for workers engaged in the kind of employment from which the worker's disability arose or 70 years of age (whichever is the lesser).

(6) A worker is not entitled to receive for two or more disabilities weekly payments in excess of the worker's notional weekly earnings.

(6a) If a liability to make weekly payments is commuted into a liability to make a capital payment, the worker is presumed, for the purposes of this section, to be receiving the weekly payments the worker would have been receiving if there had been no commutation.

(6b) If a worker ceases to be entitled to weekly payments because the Corporation makes a capital payment for loss of earning capacity under Division 4A, the worker is presumed, for the purposes of this section, to be receiving the weekly payments the worker would have been receiving if there had been no such capital payment.

(7) In this section—

(a) a reference to a period of incapacity for work is, where the disability results in separate periods of incapacity for work, a reference to the aggregate period of incapacity;

(b) a reference to weekly earnings is a reference to weekly earnings exclusive of prescribed allowances.

Discontinuance of weekly payments

36. (1) Subject to this Act, weekly payments to a worker who has suffered a compensable disability shall not be discontinued unless—

(a) the worker consents to the discontinuance of weekly payments; or

(b) the Corporation is satisfied, on the basis of a certificate of a recognised medical expert, that the worker has ceased to be incapacitated for work by the compensable disability; or

(c) the Corporation has, by notice in writing to a worker, required the worker to—

(i) submit to an examination by a recognised medical expert nominated by the Corporation; or

(ii) submit to the Corporation a certificate from a recognised medical expert certifying that the compensable disability continues,

and the worker has failed to comply with the requirement within the time allowed in the notice; or

Workers Rehabilitation and Compensation Act 1986

- (d) the worker has returned to work; or
- (e) the discontinuance of weekly payments is authorised or required by some other provision of this Act.

(2) Subject to this Act, weekly payments to a worker who has suffered a compensable disability shall not be reduced unless—

- (a) the worker consents to the reduction of weekly payments; or
- (b) the Corporation is satisfied, on the basis of a certificate of a recognised medical expert, that there has been a reduction in the extent the worker is incapacitated for work by the compensable disability; or
- (ba) the reduction is necessary to correct an arithmetical or clerical error; or
- (bb) where the weekly payments include a component for overtime—the Corporation is satisfied that if the worker had continued in the work in which he or she was last employed before becoming incapacitated, he or she would not have continued to work overtime or the pattern of overtime would have changed so that the amount of overtime would have diminished; or
- (c) the reduction of weekly payments is authorised or required by some other provision of this Act,

(and any reduction made on the basis of this subsection must be consistent with section 35).

(3) Where the Corporation decides to discontinue or reduce weekly payments in pursuance of this section, the Corporation must give notice in writing to the worker containing such information as the regulations may require as to the reasons for the Corporation's decision and informing the worker of the worker's right to have the decision reviewed.

(3a) The notice must be given at least 21 days before the decision is to take effect in any of the following cases:

- (a) where a decision to discontinue weekly payments is made, without the consent of the worker, on the ground that—
 - (i) the Corporation is satisfied that the worker has ceased to be incapacitated for work by the compensable disability (although the worker has not returned to work); or
 - (ii) the worker has failed to submit to an examination by a recognised medical expert or to provide a medical certificate as required by the Corporation; or
- (b) where a decision to reduce weekly payments is made, without the consent of the worker, on the ground that—
 - (i) the Corporation is satisfied that there has been a reduction in the extent the worker is incapacitated for work by the compensable disability; or
 - (ii) the Corporation is satisfied, in the case of a worker whose weekly payments include a component for overtime, that the worker would not have continued to work overtime or the pattern of overtime would have changed so that the amount of overtime would have diminished; or

- (c) where a decision to discontinue or reduce weekly payments is made under section 37 or 38,

and in any other case the notice must be given as soon as practicable after the decision is made (but not necessarily before it takes effect).

(4) Where a worker applies for the review of a decision by the Corporation to discontinue or reduce weekly payments under this section within one month after the worker receives notice of the decision, the operation of the decision is suspended, and the weekly payments must continue or, if the decision has already taken effect, be reinstated (to their previous level), until the matter is first brought before a Review Officer.

(4a) If any proceedings before a Review Officer that relate to a decision of the Corporation under this section are adjourned, the Review Officer may, subject to subsection (4b), on such terms and conditions as the regulations may prescribe, order that weekly payments be made to the worker for the duration of the adjournment.

(4b) A Review Officer should, in considering whether or not to make an order under subsection (4a), take into account—

- (a) the reason or reasons for the adjournment; and
- (b) the conduct of the parties to the proceedings,

and may take into account such other matters as the Review Officer thinks fit.

(4c) Any period between the conclusion of a hearing before a Review Officer and the handing-down of the Review Officer's decision is to be regarded as an adjournment for the purposes of subsections (4a) and (4b).

(5) Where, on a review, the Corporation's decision under this section is confirmed, any amounts to which the worker would not have been entitled but for the operation of subsection (4) or (4a) may, at the Corporation's discretion (but subject to the regulations)—

- (a) be recovered by the Corporation from the worker as a debt; or
- (b) be set off by the Corporation against liabilities of the Corporation to make payments to the worker under this Act.

(6) If the Corporation makes a weekly payment to a worker on the assumption that the worker is incapacitated for work but the worker has in fact returned to work, the Corporation may, subject to the regulations, recover the amount of the payment as a debt.

(7) If the Corporation overpays a worker by way of weekly payments in consequence of—

- (a) an arithmetical or clerical error; or
- (b) an assumption, subsequently found to be incorrect, that a particular pattern of overtime would have continued if the worker had continued in the work in which he or she was last employed before becoming incapacitated,

the Corporation may, subject to and in accordance with the regulations, recover the amount overpaid as a debt.

(8) An employer who believes that reasonable grounds exist for the discontinuance or reduction of weekly payments under this section to a worker employed by, or formerly employed by, the employer may, in a manner determined by the Corporation, request the Corporation to review the circumstances of the case and to discontinue or reduce the weekly payments.

(9) The Corporation must carry out the review as soon as practicable after receipt of the request unless the request is, in the Corporation's opinion, unreasonable.

(10) If the Corporation declines to carry out a review in pursuance of a request under subsection (8), or it appears that there has been undue delay in carrying out the review, a Review Officer may, on application by the employer, direct the Corporation to carry out the review, or give such directions as appear reasonable in the circumstances to expedite the review (as the case may require).

(11) The Corporation must comply, or take steps to ensure compliance, with such a direction.

(12) On completing the review, the Corporation must give the employer notice in writing—

(a) of the Corporation's decision on the review, and the reasons for its decision; and

(b) of the employer's right to have the Corporation's decision reviewed.

(13) This section does not apply in relation to the discontinuance of payments pursuant to Division 4A.

Suspension of weekly payments

37. (1) Where the Corporation is satisfied that a worker who is receiving weekly payments has failed or refused to submit to proper treatment for the worker's condition or to undertake an appropriate rehabilitation programme, the Corporation may suspend or reduce those payments.

(2) The Corporation shall not suspend or reduce weekly payments to a worker on the ground—

(a) that the worker has reasonably refused surgery or the administration of a drug; or

(b) where there is a difference of medical opinion as to the appropriate treatment for the worker, or there is the possibility of a choice between a number of reasonable forms of treatment—that the worker has chosen one form of treatment in preference to another.

(3) Where the Corporation proposes the suspension or reduction of weekly payments to a worker in pursuance of subsection (1), the Corporation shall, at least 21 days before the proposal is to take effect, give notice in writing to the worker—

(a) containing such information as the regulations may require as to the grounds on which weekly payments are to be suspended or reduced; and

(b) informing the worker of the worker's rights to have the Corporation's decision reviewed.

(4) Where a worker applies for the review of a decision by the Corporation to suspend or reduce weekly payments under this section, the weekly payments shall not be suspended or reduced unless and until a Review Officer confirms the Corporation's decision or makes an independent decision on the review that weekly payments should be discontinued or reduced.

(5) Where on a review referred to in subsection (4) weekly payments are suspended or reduced, any amounts to which the worker would not have been entitled but for the operation of that subsection may, subject to the regulations, be recovered as a debt.

Review of weekly payments

38. (1) Subject to subsection (2), the Corporation may on its own initiative and shall if requested by a worker or an employer review the amount of the weekly payments made to a worker who has suffered a compensable disability.

(2) The Corporation is not required to comply with a request for a review under subsection (1) if the request is made within three months from the completion of an earlier review.

(3) On a review under this section the Corporation may adjust the amount of the weekly payments to take account of any change in the extent of the worker's incapacity for work (insofar as the incapacity is attributable to a compensable disability).

* * * * *

(5) For the purposes of a review under this section, the Corporation may, by notice in writing to a worker, who is receiving weekly payments—

(a) require the worker to submit to an examination by a recognised medical expert nominated by the Corporation; or

(b) require the worker to furnish evidence of the worker's earnings.

(6) If a worker fails to comply with a requirement under subsection (5) within the time allowed in the notice, the Corporation may suspend weekly payments to the worker.

* * * * *

Economic adjustments to weekly payments

39. (1) Where a worker to whom weekly payments are payable is incapacitated for work or appears likely to be incapacitated for work for more than one year, the Corporation shall, during the course of each year of incapacity, review the weekly payments for the purpose of making an adjustment to the amount of those payments under this section.

(2) An adjustment under this section—

(a) for the first and second years of incapacity—shall operate from the expiration of those years and shall be based on changes—

(i) in the rates of remuneration payable to workers generally or to workers engaged in the kind of employment from which the worker's disability arose; or

(ii) if the worker applies, according to the regulations, for the adjustments to be made on the basis of changes in rates of remuneration payable to workers engaged in the kind of employment from which the worker's disability arose and furnishes satisfactory evidence of such changes—in those rates of remuneration; and

(b) for a subsequent year of incapacity—shall operate from a date fixed by the Corporation and shall be based on changes in the average minimum award rate since an adjustment was last made under this section.

(3) Where the Corporation makes an adjustment to weekly payments in pursuance of this section, the Corporation shall give notice in writing to the worker—

- (a) containing such information as the regulations may require as to the grounds on which the adjustment is being made; and
- (b) informing the worker of the worker's rights to have the Corporation's decision reviewed.

Weekly payments and leave entitlements

40. (1) Subject to subsection (3), neither the liability to make weekly payments to a worker in respect of a period of incapacity nor the amount of such weekly payments is affected by a payment, allowance or benefit for annual leave or long service leave to which the worker is entitled in respect of that period.

(2) Where a worker is absent from employment in consequence of a compensable disability, the period of absence shall for the purposes of computing the worker's entitlement to annual leave or sick leave under any Act, award or industrial agreement, be counted as a period of service in the worker's employment.

(3) Where a worker has received weekly payments in respect of total incapacity for work over a continuous period of 52 weeks or more, the liability of the employer to grant annual leave to the worker in respect of a year of employment that coincides with, or ends during the course of, that period shall be deemed to have been satisfied.

(4) Subsection (3) does not affect the obligation of an employer to make a payment in the nature of an annual leave loading.

(5) Where—

- (a) the entitlement of a worker to annual leave, or payment in lieu of annual leave, is governed by a law of the Commonwealth or a State or Territory of the Commonwealth (not being this State); and
- (b) the worker is absent from employment in consequence of a compensable disability; and
- (c) the period of absence is not taken into account as service for the purpose of calculating the worker's entitlement to annual leave or payment in lieu of annual leave,

the worker is entitled by way of compensation to the monetary value of the annual leave that would have accrued if the worker had not been absent from employment.

(6) Any compensation payable under subsection (5) shall be paid when the annual leave, or the payment in lieu of annual leave, would (assuming that the worker had not been absent from employment) have been granted or made.

Absence of worker from Australia

41. (1) Where a worker who has suffered a compensable disability and who is receiving weekly payments is to be absent from Australia for a period in excess of 28 days, the worker shall, at least 28 days before leaving Australia, give the Corporation prescribed details of the proposed absence.

(2) Where the Corporation is of the opinion that the absence may impair the prospects of the worker's rehabilitation, it may, after giving the worker at least 14 days notice of its intention to do so, suspend or reduce the weekly payments to the worker.

(3) The Corporation may suspend weekly payments that are being made to a worker who is absent from Australia—

- (a) if the Corporation cannot obtain, to its satisfaction, information relating to—
 - (i) the whereabouts of the worker;
 - (ii) the continuance of the worker's disability or incapacity for work;
 - (iii) the earning capacity of the worker; or
- (b) if there is, in the opinion of the Corporation, some other proper reason justifying suspension of the weekly payments.

(4) If a disabled worker leaves Australia without giving the notice required under subsection (1), the Corporation may suspend weekly payments to the worker.

Commutation of liability to make weekly payments

42. (1) A liability to make weekly payments under this Division may, on application by the worker, be commuted to a liability to make a capital payment that is actuarially equivalent to the weekly payments.

(2) However, the liability may only be commuted if—

- (a) the incapacity is permanent; and
- (b) the actuarial equivalent of the weekly payments does not exceed the prescribed sum³.

(3) The Corporation has (subject to this section) an absolute discretion to commute or not to commute a liability under this section, and the Corporation's decision to make or not to make the commutation is not reviewable (but a decision on the amount of a commutation is reviewable).

(4) If the Corporation decides to make a commutation and makes an offer to the worker, the Corporation cannot, without the agreement of the worker, subsequently revoke its decision to make the commutation.

(5) In calculating the actuarial equivalent of weekly payments, the principles (and any discount, decrement or inflation rate) prescribed by regulation must be applied.

(6) A commutation discharges the Corporation's liability to make weekly payments to which the commutation relates.

³ *The reference to the prescribed sum is a reference to the prescribed sum for the purposes of Division 5—See s. 43(11).*

DIVISION 4A—COMPENSATION FOR LOSS OF EARNING CAPACITY

Loss of earning capacity

42A. (1) Where a worker suffers a compensable disability that results in incapacity for work for a period exceeding two years, the Corporation may assess the worker's loss of future earning capacity as a capital loss.

Workers Rehabilitation and Compensation Act 1986

(2) In making the assessment, the following principles will be applied:

- (a) the worker's notional weekly earnings (less an estimation of income tax) will be projected forward over the remainder of the worker's notional working life;
- (b) in the case of partial incapacity, the amount the worker could earn in suitable employment that the worker has a reasonable prospect of obtaining by way of average weekly earnings (less an estimation of income tax) will be projected forward over the remainder of the worker's notional working life and subtracted from the amount projected under paragraph (a);
- (c) the worker's capital loss will be taken to be 80 per cent of the present value of the loss indicated by the above projections (and in determining the present value of that loss a prescribed discount rate must be applied).

(3) For the purposes of subsection (2)—

- (a) the projections referred to in that subsection will be made on the basis of rates of earnings current at the date of the assessment and without regard to possible future changes in those rates; and
- (b) the worker's notional working life is the period over which the worker would have worked assuming that he or she had not been incapacitated and that period will be assessed having regard to the contingencies and vicissitudes of life that might in any event have prevented the worker from continuing in employment but the period will not, in any event, be taken to extend beyond the date on which weekly payments would (assuming no assessment of capital loss were made under this section) cease to be payable (see section 35(5)); and
- (c) in assessing what a partially incapacitated worker could earn in suitable employment, the following factors must be considered, and given such weight as may be fair and reasonable:
 - (i) the nature and extent of the worker's disability;
 - (ii) the worker's age, level of education and skills;
 - (iii) the worker's experience in employment;
 - (iv) the worker's ability to adapt to new employment.

(4) The Corporation may make one or more interim assessments of loss as to nominated portions of the worker's notional working life before making a final assessment of loss under this section.

(5) An amount assessed under this section becomes due and payable from the date of the assessment but may be paid, at the discretion of the Corporation, in a single lump sum or in instalments that are actuarially equivalent to the lump sum (and in determining actuarial equivalence any principles, and any discount, decrement or inflation rates, prescribed by the regulations must be applied).

(6) Subject to subsection (7), where the Corporation pays or commences to pay compensation under this section, the worker ceases to be entitled to weekly payments under Division 4.

(7) The Corporation must give the worker at least 21 days notice of the cessation of payments under Division 4.

(8) The Corporation may establish principles to be applied in relation to—

- (a) the making of interim assessments under this section;
- (b) the payment of amounts assessed under this section in instalments (including the amounts and frequency of any such instalments);
- (c) any other matter relevant to the operation of this section.

(9) The following decisions of the Corporation are not reviewable—

- (a) a decision of the Corporation to make or not to make an assessment under this section (but an assessment is reviewable);
- (b) a decision of the Corporation as to whether to make a final assessment or one or more interim assessments;
- (c) a decision of the Corporation as to whether to pay an amount assessed under this section in a single lump sum or in instalments and, if the Corporation decides to pay in instalments, the Corporation's decision as to the frequency of those instalments.

Power to require medical examination, etc.

42B. (1) For the purposes of this Division, the Corporation may, by notice in writing to the worker—

- (a) require the worker to submit to an examination by a medical expert nominated by the Corporation; or
- (b) require the worker to furnish such information, relevant to the operation of this Division, as the Corporation thinks fit.

(2) If a worker fails to comply with a requirement under subsection (1) within the time allowed in the notice, the Corporation may—

- (a) if no compensation has been paid under this Division—suspend any weekly payments being made to the worker;
- (b) if compensation has been paid under this Division—determine not to pay compensation in respect of the period of default.

(3) A requirement imposed by the Corporation under subsection (1) is, on the application of the worker made within the prescribed period in accordance with the regulations, subject to review by a Review Officer.

(4) Where a worker applies for a review under subsection (3), any weekly payments suspended under subsection (2) must be reinstated (to their previous level) until the matter is first brought before a Review Officer.

(5) If any proceedings before a Review Officer under this section are adjourned, the Review Officer may, on such terms and conditions as the regulations may prescribe, order that one or more payments be made to the worker during the adjournment.

Workers Rehabilitation and Compensation Act 1986

(6) A Review Officer should, in considering whether or not to make an order under subsection (5), take into account—

- (a) the reason or reasons for the adjournment; and
- (b) the conduct of the parties to the proceedings,

and may take into account such other matters as the Review Officer thinks fit.

(7) Any period between the conclusion of a hearing before a Review Officer and the handing-down of the Review Officer's decision is to be regarded as an adjournment for the purposes of subsections (5) and (6).

(8) A Review Officer must, in hearing and determining any proceedings under this section, act with as much expedition as is reasonably practicable in the circumstances.

(9) On an application under this section, a Review Officer may—

- (a) confirm, vary or quash the requirement imposed by the Corporation;
- (b) give such directions as the Review Officer thinks necessary to expedite any assessment under this Division.

(10) If a Review Officer decides in favour of the Corporation, the Corporation may, at the Corporation's discretion (but subject to the regulations)—

- (a) recover any amounts paid under subsections (4) or (5) from the worker as a debt; or
- (b) set off any amounts paid under subsections (4) or (5) against liabilities of the Corporation to make payments to the worker under this Act.

DIVISION 5—COMPENSATION FOR NON-ECONOMIC LOSS

Lump sum compensation

43. (1) Subject to this Act, where a worker suffers a permanent disability and the disability is compensable under this Act, the worker is entitled (in addition to any entitlement apart from this section) to compensation for non-economic loss by way of a lump sum.

(2) Subject to this section, the lump sum shall be a percentage of the prescribed sum determined by reference to schedule 3.

* * * * *

(6) Where—

- (a) a compensable disability consists of the aggravation, acceleration, exacerbation, deterioration or recurrence of a prior compensable disability; and
- (b) compensation by way of lump sum has been previously paid under this section, or a corresponding previous enactment,

there shall be a proportionate reduction in the amount of the lump sum payable under subsection (2) in respect of the disability.

(7) Where a worker suffers two or more compensable disabilities arising from the same trauma, the worker shall not be entitled to receive compensation by way of lump sum under subsection (2) in respect of those disabilities in excess of the prescribed sum.

(7a) If the amount of compensation to which a worker is entitled under subsection (2) is greater than 55 per cent of the prescribed sum, the worker is entitled to a supplementary benefit equivalent to 1.5 times the amount by which that amount exceeds 55 per cent of the prescribed sum.

(8) No payment shall be made under this section unless the worker is living at the expiration of 28 days from the date of the occurrence of the disability and payment shall not be made under this section after the death of the worker.

(9) The Governor may, by regulation, amend schedule 3 by adding specified disabilities and fixing in relation to each such additional disability a percentage of the prescribed sum that is to be payable in respect of that disability.

(10) A regulation under subsection (9) must not be made except—

- (a) on the recommendation of the Corporation; or
- (b) with the approval of the Corporation.

(11) In this section—

"the prescribed sum" means—

- (a) in relation to a disability occurring in 1987—\$65 300;
- (b) in relation to a disability occurring in a subsequent year—a sum (calculated to the nearest multiple of \$100) that bears to \$62 000 the same proportion as the Consumer Price Index for the September quarter of the immediately preceding year bears to the Consumer Price Index for the September quarter, 1985.

DIVISION 6—COMPENSATION PAYABLE ON DEATH

Compensation payable on death

44. (1) Subject to this Act, where a worker dies as a result of a compensable disability, compensation is payable as follows:

(a) a funeral benefit is payable equal to—

- (i) the actual cost of the worker's funeral; or
- (ii) the prescribed amount,

whichever is the lesser;

(b) a spouse is entitled to—

- (i) a lump sum equal to 1.675 times the prescribed sum less any amount that the worker received as compensation for non-economic loss under Division 5; and

Workers Rehabilitation and Compensation Act 1986

- (ii) in the case of a dependent spouse—weekly payments equal to—
 - (A) in the case of total dependency—50 per cent;
 - (B) in the case of partial dependency—such lesser percentage as may be fixed by the Corporation having regard to the extent of the dependency,of the amount of the notional weekly earnings of the deceased worker;
- (c) a dependent child (being an orphan child) is entitled to—
 - (i) a lump sum equal to—
 - (A) where the child is the only orphan child—50 per cent of an amount arrived at by subtracting from an amount equal to 1.675 times the prescribed sum the amount (if any) that the worker received as compensation for non-economic loss under Division 5;
 - (B) where the child is one of two or more orphan children—an amount determined by dividing 50 per cent of the amount referred to above equally between the orphan children; and
 - (ii) weekly payments equal to—
 - (A) in the case of total dependency—25 per cent;
 - (B) in the case of partial dependency—such lesser percentage as may be fixed by the Corporation having regard to the extent of the dependency,of the amount of the notional weekly earnings of the deceased worker;
- (d) a dependent child (not being an orphaned child) is entitled to weekly payments equal to—
 - (i) in the case of total dependency—12½ per cent;
 - (ii) in the case of partial dependency—such lesser percentage as may be fixed by the Corporation having regard to the extent of the dependency,of the amount of the notional weekly earnings of the deceased worker;
- (e) a dependent relative (not being a spouse or child) is entitled to such compensation by way of lump sum or weekly payments as may be determined by the Corporation having regard to—
 - (i) the extent of the relative's dependency on the deceased worker;
 - (ii) the earning capacity of the relative;
 - (iii) the relative's means;
 - (iv) the extent of any other benefits provided under this Act in respect of the worker's death.

(2) A funeral benefit payable under subsection (1)(a) shall be paid—

- (a) to the person who conducted the funeral; or
- (b) a person who has paid, or is liable to pay, the funeral expenses of the deceased worker.

(3) A spouse is not entitled to a lump sum under subsection (1)(b)(i) unless—

- (a) the spouse was cohabiting with the worker on the date of the worker's death; or
- (b) although the spouse was not cohabiting with the worker on the date of the worker's death it is, in the opinion of the Corporation, fair that the spouse should receive a lump sum under that provision.

(4) For the purposes of subsection (1), where a worker and the worker's spouse jointly contributed to the support of a dependent child immediately before the occurrence of the compensable disability that resulted in the worker's death, any contribution to the support of the child from the worker's spouse shall be disregarded in determining whether the child is a dependant and, if so, the extent of the child's dependency.

(4a) The Corporation may, in its discretion, in a case of extraordinary hardship, increase the lump sum paid to an orphan child of a deceased worker under this section (but the total amount paid by way of lump sum to the deceased worker's orphan child or children under this section cannot exceed an amount arrived at by subtracting from an amount equal to 1.675 times the prescribed sum the amount (if any) that the worker received as compensation for non-economic loss under Division 5).

(5) Where—

- (a) a worker dies leaving a spouse and a dependent child; and
- (b) the spouse subsequently dies,

the child (if still eligible to receive weekly payments under this section) shall then be entitled to receive weekly payments under subsection (1)(c) as an orphaned child.

(6) Compensation is payable, if the Corporation so decides, to a spouse or child of a deceased worker who, although not dependent on the worker at the time of the worker's death, suffers a change of circumstances that may, if the worker had survived, have resulted in the spouse or child becoming dependent on the worker.

(7) Weekly payments shall not be made to a dependent child under this section unless—

- (a) the child is under the age of 18 years; or
- (b) the child is a full-time student at an educational institution approved by the Corporation for the purposes of this paragraph and is under the age of 26 years; or
- (c) the child is, by reason of physical or mental disability, incapable of earning a living.

(8) Weekly payments shall not be paid under this section beyond the date at which such payments would, assuming that the worker had survived but had been permanently incapacitated for work, have ceased to be payable to the worker.

(9) Where weekly payments payable under this section would but for this subsection exceed in aggregate the amount of the weekly payments to which the worker would have been entitled in the event of total and permanent incapacity, the weekly payments shall be proportionately reduced so as not to exceed that amount.

(10) Where a person who is entitled to a payment (either by way of lump sum or weekly payment) under this section is under the age of 18 years, the payment may, if the Corporation so determines, be made wholly or in part to a guardian or trustee for the benefit of that person.

(11) Subject to subsection (12), where the child of a deceased worker who is entitled to weekly payments under this section is under the age of 18 years and is in the care of a person other than a dependent spouse of the worker, that person shall, if the Corporation so determines, be entitled to a supplementary allowance to assist in the care of the child until—

- (a) the child attains the age of 18 years; or
- (b) the person ceases to have the care of the child,

whichever first occurs.

(12) Where a child is by reason of a physical or mental disability, incapable of earning a living, the Corporation may pay a supplementary allowance under subsection (11) during the period of incapacity even though the child has attained the age of 18 years.

(13) Where the worker had received compensation under Division 4A, a person is not eligible for weekly payments under this section to the extent (if any) that those payments would coincide with a period in respect of which the compensation under Division 4A was paid but otherwise weekly payments are payable under this section as if compensation had not been paid under that Division.

(14) A liability to make weekly payments under this section may, on application by the person entitled to the weekly payments, be commuted to a liability to make a capital payment that is actuarially equivalent to the weekly payments.

(15) However, the liability may only be commuted if the actuarial equivalent of the weekly payments does not exceed the prescribed sum⁴.

(16) The Corporation has (subject to this section) an absolute discretion to commute or not to commute a liability under this section, and the Corporation's decision to make or not to make commutation is not reviewable (but a decision on the amount of a commutation is reviewable).

(17) If the Corporation decides to make a commutation and makes an offer under this section, the Corporation cannot, without the agreement of the applicant, subsequently revoke its decision to make the commutation.

(18) In calculating the actuarial equivalent of weekly payments, the principles (and any discount, decrement or inflation rate) prescribed by regulation must be applied.

(19) A commutation discharges the Corporation's liability to make weekly payments to which the commutation relates.

⁴ The reference to the prescribed sum is a reference to the prescribed sum for the purposes of Division 5—See s. 43(11).

Review of weekly payments

45. (1) The Corporation may on its own initiative and shall if requested by an employer or the person to whom weekly payments are payable, review the amount of weekly payments payable to any person under this Division.

(2) A request for a review of the amount of weekly payments payable under this Division may not be made within 6 months from the completion of an earlier review.

(3) The amount of the weekly payments payable under this Division shall be reviewed at least once in each year.

(4) On a review under this section the Corporation shall make any necessary adjustments to the amount of weekly payments—

- (a) to reflect changes in the income or earning capacity of the person to whom the weekly payments are payable and any other relevant changes in the circumstances of that person; and
- (b) where the review is an annual review conducted in pursuance of subsection (3)—to reflect changes in the average minimum award rates since payments were commenced under this Division or an adjustment was last made under this section (as may be appropriate).

(5) For the purposes of a review under this section, the Corporation may, by notice in writing to a person who is receiving weekly payments under this Division, require that person to produce evidence to the satisfaction of the Corporation of—

- (a) income;
- (b) earning capacity;
- (c) any other circumstances that are relevant to the payment, or the amount, of weekly benefits.

(6) If a person fails to comply with a requirement under subsection (5) within the time allowed in the notice, the Corporation may suspend weekly payments to that person.

(7) Where the Corporation proposes the reduction of weekly payments to a person on a review under this section the Corporation shall, at least 21 days before the proposal is to take effect, give notice in writing to the person—

- (a) containing such information as the regulations may require as to the grounds on which weekly payments are to be reduced; and
- (b) informing the person of the person's rights to have the Corporation's decision reviewed.

DIVISION 7—LIABILITY TO PAY COMPENSATION

Incidence of liability

46. (1) Subject to this section, the Corporation is liable to make all payments of compensation to which any person becomes entitled under this Act.

(2) Where a compensable disability arises from employment by an exempt employer, the exempt employer is liable to make all payments of compensation to which any person becomes entitled in consequence of the occurrence of that compensable disability.

Workers Rehabilitation and Compensation Act 1986

(3) Subject to this section, where a worker is, as a result of a compensable disability, wholly or partially incapacitated for work and is in employment when the incapacity arises, the worker's employer is liable to pay compensation by way of income maintenance—

- (a) if the period of the incapacity is one week or less—for the whole of the period of the incapacity;
- (b) if the period of the incapacity is more than one week—for the first week of the period of the incapacity.

(4) Where separate periods of incapacity commence during the course of the same calendar year (whether attributable to the same disability or not) an employer is not liable to pay compensation under subsection (3) in respect of those periods of incapacity in excess of an amount equal to the worker's average weekly earnings.

(5) Where a worker is, at the commencement of a period of incapacity, in the employment of two or more employers, they are liable to pay the compensation referred to in subsection (3) in proportions determined by agreement between them or, in default of agreement, by the Corporation.

(6) An employer who is liable to pay compensation to a worker under subsection (3) shall make the payment—

- (a) if the claim for compensation is not disputed—within 14 days after the date of the claim; or
- (b) if the claim for compensation is disputed—forthwith after the dispute is determined.

(6a) Where an employer (not being an exempt employer) pays compensation under subsection (3) in respect of an unrepresentative disability, the employer may recover the amount of the payment from the Corporation.

(7) Where an employer pays compensation under subsection (3) in respect of a disability that did not arise from employment by that employer, that employer may recover the amount of the payment from the Corporation, and the Corporation may, in turn, recover that amount—

- (a) from the employer from whose employment the disability arose; or
- (b) if it appears that the worker was not entitled to that compensation—from the worker.

(8) Where the Corporation pays compensation by way of income maintenance to a worker who was not in employment when the incapacity for work arose, the Corporation may recover any amount that would, if the worker had been in employment, have been payable under subsection (3) by the employer from whose employment the worker's disability arose.

(8a) The regulations may exempt prescribed classes of employers from the operation of subsection (3) (and in that case the Corporation will undertake any liability of those employers that would otherwise have arisen under that subsection).

(8b) Where the Corporation notifies an employer (other than an exempt employer) pursuant to this subsection that a worker is entitled to compensation by way of income maintenance, the employer must, subject to subsection (8c), make the appropriate payments of compensation on behalf of the Corporation (until or unless otherwise directed by the Corporation).

Penalty: \$2 000.

(8c) An employer is not required to comply with subsection (8b)—

- (a) if the employer satisfies the Corporation that to do so would be unduly burdensome on the employer, or that it is otherwise unreasonable to expect the employer to make the payments to the worker; or
- (b) in any other prescribed circumstance.

(8d) An employer who fails to satisfy the Corporation under subsection (8c) that the employer should not be required to comply with subsection (8b) may apply to the Board for a review of the matter.

(8e) An application for review does not suspend an obligation to make payments of compensation on behalf of the Corporation.

(8f) The review will be conducted in accordance with procedures determined by the Board, by the Board itself, or by a committee or person to whom the Board has delegated its powers of review under this section, and the Board has an absolute discretion as to whether it will permit the employer or a representative of the employer to be heard orally on the review.

(8g) On review, the Board may confirm, vary or rescind a decision of the Corporation under subsection (8b).

(8h) If—

- (a) an employer makes a payment pursuant to subsection (8b); and
- (b) the employer applies, in a manner and form determined by the Corporation, for reimbursement within three months after the payment is made,

the employer is entitled to reimbursement by the Corporation and, if the regulations so provide, interest at the prescribed rate.

(8i) An employer may make payments of compensation on behalf of the Corporation in anticipation of a claim for compensation being subsequently made to the Corporation and determined in the worker's favour.

(8j) An employer is entitled to be reimbursed by the Corporation for a payment made under subsection (8i) if and only if—

- (a) the claim is made within three months after the date of the payment; and
- (b) the claim is determined in the worker's favour,

(but the extent of the reimbursement cannot exceed the amount to which the worker is entitled on the claim).

(9) No compensation by way of income maintenance is payable to a disabled self-employed worker whose disability arises from self-employment in respect of the first week of incapacity for work.

Augmentation of weekly payment in consequence of delay

47. (1) Subject to subsection (2), where—

- (a) a weekly payment, or part of a weekly payment, is not paid as and when required to be paid under this Act; or

Workers Rehabilitation and Compensation Act 1986

- (b) the making of a weekly payment is delayed pending resolution of a dispute under this Act,

any amount in arrears shall be increased by interest at the prescribed rate.

(2) No interest is payable under this section if the delay is attributable to some fault on the part of the worker.

Payments by Corporation on behalf of defaulting employer

48. (1) Where an employer fails to make a payment of compensation that the employer is liable to make under this Act, the Corporation shall make that payment on behalf of the employer.

(2) Where the Corporation makes a payment of compensation under this section, the Corporation is entitled to recover from the employer as a debt—

- (a) the amount of the payment; and
(b) an administration fee fixed in accordance with the regulations,

(and the Corporation shall take all reasonable steps to recover that debt).

Corporation may undertake employer's liability to make weekly payments

49. Where an employer is liable to make weekly payments of compensation, the Corporation may, at the request of the employer, undertake that liability on the employer's behalf in consideration of the payment by the employer to the Corporation of an amount fixed by the Corporation.

Corporation as insurer of last resort

50. (1) Where an exempt employer has ceased to be exempt, the Corporation may, in its discretion, undertake, in whole or part, liabilities related to compensable disabilities arising from employment during the period of the exemption.

(2) The Corporation must undertake the liabilities of a formerly exempt employer under subsection (1) if—

- (a) the employer becomes insolvent; or
(b) ceases to carry on business in the State and fails to make provision that the Corporation considers adequate for dealing with claims, and meeting liabilities and responsibilities related to compensable disabilities arising from employment during the period of exemption.

(3) An amount representing the capitalised value of liabilities undertaken by the Corporation under this section may be recovered from the employer as a debt or claimed in the winding up of the employer.

**DIVISION 8—NOTICES OF DISABILITIES AND CLAIMS FOR
COMPENSATION**

Duty to give notice of disability

51. (1) Where a worker suffers a compensable disability, notice of that disability must be given—

- (a) to the employer by whom the worker is employed at the time of the occurrence of the disability; or

(b) if the worker is not then in employment or is self-employed—to the Corporation.

(2) Notice of a disability should be given—

(a) if practicable within 24 hours after the occurrence of the disability but, if that is not practicable, as soon as practicable after the occurrence of the disability;

(b) if the worker is not, immediately after the occurrence of the disability, aware of the disability—as soon as practicable after the worker becomes so aware;

(c) if the worker dies without having become so aware or before it is practicable to give such a notice—as soon as practicable after the worker's death.

(3) Notice of a disability—

(a) may be given orally or in writing; and

(b) should specify to the best of the knowledge, information and belief of the person giving the notice—

(i) the day on which the disability occurred; and

(ii) the place at which the disability occurred; and

(iii) the nature of the disability; and

(iv) the cause of the disability.

(4) For the purposes of this section, notice of a disability shall be deemed to have been given to an employer if—

(a) it is given to—

(i) the employer at any place of business of the employer; or

(ii) any person under whose supervision the worker was employed at the time of the disability; or

(iii) any person designated for the purpose by the worker's employer; or

(b) it is served by post on the employer.

(5) A person by whom a notice under this section is given orally shall, at the request of the person to whom the notice is given, complete a written statement in a form determined by the Corporation.

(6) Subject to subsection (8), where an employer (not being an exempt employer) receives notice of a disability given or purportedly given under this section the employer shall, within 5 business days after the receipt of the notice, send a copy of the notice to the Corporation together with the prescribed information.

Penalty: \$1 000.

(7) Where it appears from a notice under this section that the worker was not, at the date of the notice, in the employment of the employer from whose employment the disability arose, the Corporation shall (where it is practicable to do so) send a copy of the notice to that employer.

Workers Rehabilitation and Compensation Act 1986

- (8) The Corporation may, by notice published in the *Gazette*—
- (a) exclude from the application of this section minor disabilities of a class specified in the notice;
 - (b) vary, in relation to cases of a specified class, the time at which an employer is required to report to it under this section.

Claim for compensation

52. (1) Subject to this section, a claim for compensation—

- (a) must be made in a manner and form approved by the Corporation; and
- (b) must be made within the prescribed period; and
- (c) must be supported by a certificate in the prescribed form by a recognised medical expert certifying—
 - (i) the nature of the disability;
 - (ii) the probable cause of the disability so far as that is ascertainable by the medical expert;
 - (iii) where the claimant claims to be incapacitated for work—the extent and probable duration of the incapacity.

(2) Where notice of a disability is required under this Division, a claim for compensation may not be made in respect of that disability unless notice of the disability has been given in accordance with this Division.

(3) Notwithstanding subsections (1) and (2)—

- (a) the absence of, or a defect in, a notice of disability is not a bar to the making of a claim if—
 - (i) the proper determination of the claim has not been substantially prejudiced; or
 - (ii) the failure to give the notice, or the defect in the notice, was occasioned by ignorance of the claimant, mistake or absence from the State, or other reasonable cause; and
- (b) a failure to make a claim within the prescribed period is not a bar to the making of a claim if—
 - (i) the proper determination of the claim has not been substantially prejudiced; or
 - (ii) the failure to make the claim within the prescribed period was occasioned by ignorance of the claimant, mistake or absence from the State, or other reasonable cause.

(4) A claim for compensation must be given as follows:

- (a) where the worker is at the commencement of the incapacity in employment—the claim must be given to the employer;

(b) in any other case—the claim must be given to the Corporation.

(5) Within 5 business days after receipt of a claim under this section, an employer (not being an exempt employer) shall forward to the Corporation—

(a) a copy of the claim;

(b) a statement in the prescribed form containing such information as may be prescribed.

Penalty: \$1 000.

(6) Where it appears from a claim that the worker was not, at the time of making the claim, in the employment of the employer from whose employment the disability arose, the Corporation shall (where it is practicable to do so) notify that employer of the claim.

(6a) Where a claim is only for compensation under section 32, the Corporation (or an exempt employer) may dispense with the requirement of a certificate under subsection (1)(c).

(7) In this section—

"prescribed period", in relation to the making of a claim in pursuance of this section, means the period of 6 months commencing on the day on which the entitlement to make the claim arises.

Determination of claim

53. (1) On receipt of a claim for compensation the Corporation shall make such investigations and inquiries as it thinks necessary to determine the claim.

(2) For the purpose of satisfying itself of the nature, extent or probable duration of a disability, the Corporation may require a worker to submit to an examination by a recognised medical expert nominated by the Corporation from a list of approved experts.

(3) If a claimant for compensation—

(a) fails or refuses to furnish information reasonably required by the Corporation to determine the claim; or

(b) fails or refuses to submit to an examination as required under subsection (2),

the claim may be rejected.

(4) The Corporation shall determine claims for compensation as expeditiously as reasonably practicable and where the claim is for compensation by way of income maintenance shall, wherever practicable, endeavour to determine the claim within 10 business days after the date of receipt of the claim.

(4a) Where—

(a) the disability results from a road accident; and

(b) no member of the police force attends at the scene of the accident; and

(c) the claimant is required to report the accident to a member of the police force or at a police station under the *Road Traffic Act 1961*,

the Corporation may refrain from determining the claim until the accident is so reported.

Workers Rehabilitation and Compensation Act 1986

(5) As soon as practicable after determining a claim for compensation the Corporation shall give notice in writing of the determination—

- (a) to the claimant; and
- (b) to any employer who may be directly affected.

(6) Where any part of a claim is rejected, the notice referred to in subsection (5) must include—

- (a) such information as the regulations may require as to the grounds on which the claim is rejected; and
- (b) a statement of the claimant's rights to have the determination reviewed.

(7) The Corporation may, in an appropriate case, by notice in writing to the worker, redetermine a claim.

(7a) For the purposes of subsection (7), an appropriate case is one where—

- (a) the redetermination is necessary to give effect to an agreement reached between the parties to an application for review or to reflect progress (short of an agreement) made by the parties to such an application in an attempt to resolve questions by agreement; or
- (b) the claimant deliberately withheld information that should have been supplied to the Corporation and the original determination was, in consequence, based on inadequate information; or
- (c) the redetermination is appropriate by reason of new information that was not available and could not reasonably have been discovered by due enquiry at the time that the original determination was made; or
- (d) the original determination was made as the result of an administrative error and the redetermination is made within two weeks of the making of the original determination; or
- (e) the redetermination is made in prescribed circumstances.

(7b) A regulation made for the purposes of subsection (7a)(e) cannot come into operation until the time for disallowance has passed.

(8) The redetermination of a claim does not give rise to any right on the part of the Corporation to recover from the worker money paid under a previous determination unless the previous determination was made in consequence of the worker's fraud.

DIVISION 9—MISCELLANEOUS

Limitation of employer's liability

54. (1) Subject to subsection (2), no liability attaches to an employer in respect of a compensable disability arising from employment by that employer except—

- (a) a liability under this Act; or

* * * * *

(2) Subsection (1) does not affect a liability arising out of the use of a motor vehicle, being a liability against which the employer was or ought to have been insured under the law of compulsory third-party motor vehicle insurance.

(3) A court before which an action is brought against an employer for non-economic loss arising from a compensable disability (being a disability that arises out of the use of a motor vehicle and gives rise to a liability of a kind referred to in subsection (2)) shall make due allowance for any lump sum paid or payable under Division 5 or 6 to the person by or on whose behalf the action is brought.

* * * * *

(4a) Where—

- (a) a worker suffers a compensable disability (not being a disability that arises out of the use of a motor vehicle and gives rise to a liability of a kind referred to in subsection (2)); and
- (b) the disability is attributable to the negligence of another worker—
 - (i) who was acting in the course of employment with the same employer; and
 - (ii) whose negligence did not arise from, or in the course of, serious and wilful misconduct,

the worker has no right of action against the other worker.

(4b) Where—

- (a) a worker suffers a compensable disability (not being a disability that arises out of the use of a motor vehicle and gives rise to a liability of a kind referred to in subsection (2)); and
- (b) action is taken against a person other than the employer for damages in respect of the disability,

the other person has no right to recover contribution from the employer.

(5) Where—

- (a) compensation is paid or payable under this Act in respect of a compensable disability;
- (b) a right of action exists against a person other than the employer for damages in respect of the disability,

the person by whom the compensation is paid or payable is entitled to recover from that other person the amount of the compensation in accordance with subsection (7).

(6) Where—

- (a) a compensable disability arises out of the use of a motor vehicle;
- (b) the employer was or ought to have been insured against liability for the disability under the law of compulsory third-party motor vehicle insurance;

Workers Rehabilitation and Compensation Act 1986

- (c) compensation is paid or payable by the Corporation under this Act in respect of the disability,

the Corporation is entitled to recover the amount of the compensation in accordance with subsection (7).

(7) Where—

- (a) compensation is paid or payable to a person ("the injured party") under this Act;
- (b) the injured party has received, or is entitled to, damages from another person ("the wrongdoer") in pursuance of rights arising from the same trauma as gave rise to the rights to compensation under this Act;
- (c) the person by whom the compensation is paid or payable under this Act ("the claimant") is entitled to recover the amount of the compensation by virtue of subsection (5) or (6),

then the following provisions apply:

- (d) the claimant is entitled to recover the amount of compensation paid or payable under this Act from the wrongdoer or the injured party but subject to the following qualifications:
 - (i) no amount may be recovered from the wrongdoer in excess of the wrongdoer's unsatisfied liability to the injured party; and
 - (ii) the claimant must exhaust its rights against the wrongdoer before recovering against the injured party; and
 - (iii) no amount may be recovered from the injured party in excess of the amount of the damages received by the injured party;
- (e) the claimant shall, on giving notice to a wrongdoer of an entitlement to recover compensation under this section, have a first charge, to the extent of the entitlement, on damages payable by the wrongdoer to the injured party;
- (f) any amount recovered by the claimant against a wrongdoer under this subsection shall be deemed to be an amount paid in or towards satisfaction of the wrongdoer's liability to the injured party;
- (g) an action for the recovery of compensation under this subsection—
 - (i) may be heard and determined by the Industrial Court; and
 - (ii) must be commenced within 3 years after the date of the trauma referred to in paragraph (b).

(7a) This section is intended to apply in relation to any action that arises out of the occurrence of a compensable disability—

- (a) irrespective of where the disability occurred; and
- (b) (i) irrespective of whether the action is brought before a court of this State or before a court of some other state, territory or country; and

- (ii) notwithstanding that the court before which the action is brought would not (but for this subsection) apply, or take into account, South Australian law.

(7b) If—

- (a) an action is brought in respect of a compensable disability in a court that is not a court of the State; and
- (b) notwithstanding subsection (7a), the court awards an amount against an employer that is in excess of the amount (if any) that would have been awarded in a similar action before a court of the State; and
- (c) the Corporation is liable to pay the amount awarded by virtue of insurance provided under this Act,

the Corporation is entitled to recover the excess from the person to whom the amount is awarded.

(7c) In the course of proceedings under subsection (7b) a court may—

- (a) receive in evidence any transcript of evidence in proceedings before the court by which the amount was awarded and draw any conclusions of fact from the evidence that it considers proper; or
- (b) adopt any of the court's findings of fact.

(8) In this section—

"damages" includes any form of compensation payable apart from this Act in respect of a compensable disability;

"employer" includes—

- (a) any person for whose torts an employer is vicariously liable;
- (b) any person who is vicariously liable for the torts of an employer;

"the law of compulsory third-party motor vehicle insurance" means—

- (a) Part 4 of the *Motor Vehicles Act 1959* (including a policy of insurance under that Part); or
- (b) the law of another State or a Territory of the Commonwealth that corresponds to Part 4 of the *Motor Vehicles Act 1959* (including a policy of insurance under such a law).

* * * * *

Prohibition of double recovery of compensation

55. (1) Where a disability is compensable under this Act and under a corresponding law, compensation shall not be paid both under this Act and under the corresponding law.

(2) Where compensation is in fact paid both under this Act and under a corresponding law, the compensation paid under this Act may be recovered as a debt due to the person by whom it was paid from the person to whom it was paid.

Workers Rehabilitation and Compensation Act 1986

(3) The fact that compensation or damages in respect of a disability have been recovered under a foreign law is a bar to the recovery of compensation in respect of the same disability under this Act.

* * * * *

Compensation payable in respect of disabilities arising from employment on ships

57. Where a compensable disability arises from employment on a ship the amount of the compensation is not subject to any limitation imposed by the *Merchant Shipping Act 1894* of the United Kingdom.

Certain sporting injuries not to be compensable

58. (1) Notwithstanding any other provision of this Act, but subject to subsection (2), where—

- (a) a worker is employed by an employer solely—
 - (i) to participate as a contestant in a sporting or athletic activity (and to engage in training or preparation with a view to such participation); or
 - (ii) to act as a referee or umpire in relation to a sporting or athletic contest (and to engage in training or preparation with a view to so acting); and
- (b) remuneration is not payable under the contract of employment except in respect of such employment,

a disability arising out of or in the course of that employment is not compensable.

(2) This section does not apply to—

- (a) a person authorised or permitted under the *Racing Act 1976* to ride or drive in a race as defined in that Act; or
- (b) a boxer, wrestler or referee employed or engaged for a fee to take part in a boxing or wrestling match; or
- (c) a person who derives an entire livelihood, or an annual income in excess of the prescribed amount, from employment of a kind referred to in subsection (1)(a).

(3) In this section—

"the prescribed amount" means—

- (a) in relation to 1987—\$27 200;
- (b) in relation to a subsequent year—a sum (calculated to the nearest multiple of \$100) that bears to \$25 000 the same proportion as the Consumer Price Index for the September quarter of the immediately preceding year bears to the Consumer Price Index for the September quarter, 1985.

Reports of return to work, etc.

58A. (1) An employer (other than an exempt employer) must notify the Corporation whenever—

- (a) a worker who has been receiving weekly payments for total incapacity returns to work; or
- (b) there is a change in the weekly earnings of a worker who is receiving weekly payments for partial incapacity; or
- (c) there is a change in the type of work performed by a worker who is receiving weekly payments for partial incapacity,

(but notification is not required in a case or class of cases excepted by the Corporation from the operation of this subsection).

(2) Where a worker who has been receiving weekly payments for total incapacity returns to work with an employer other than the employer from whose employment the disability arose, the worker must notify that previous employer of the return to work.

(3) A notification under subsection (1) or (2)—

- (a) must be given within 14 days of the occurrence of the notifiable event or such longer period as the regulations may allow; and
- (b) must include full particulars of the notifiable event.

(4) A person who without reasonable excuse fails to comply with this section is guilty of an offence.

Penalty: \$1 000.

Continuation of employment

58B. (1) If a worker who has been incapacitated for work in consequence of a compensable disability is able to return to work (whether on a full-time or part-time basis and whether or not to his or her previous employment), the employer from whose employment the disability arose must provide suitable employment for the worker (the employment being employment for which the worker is fit and, subject to that qualification, so far as reasonably practicable the same as, or equivalent to, the employment in which the worker was employed immediately before the incapacity).

(2) Subsection (1) does not apply if—

- (a) it is not reasonably practicable to provide employment in accordance with that subsection (and the onus of establishing that lies in any legal proceedings on the employer); or
- (b) the worker left the employment of that employer before the commencement of the incapacity for work.

(3) If a worker has suffered a compensable disability, the employer from whose employment the disability arose must not terminate the worker's employment (except on the ground of serious and wilful misconduct) without first giving both the Corporation and the worker at least 28 days notice of the proposed termination of employment.

Penalty: \$5 000.

(3a) Subsection (3) does not apply where—

- (a) the worker is neither receiving compensation nor participating in a rehabilitation programme in respect of the disability; and
- (b) the worker has exhausted his or her rights to claim compensation under this Act in respect of the disability, or the time for making such a claim has expired.

(4) In any legal proceedings in which an employer is alleged to have terminated a worker's employment contrary to subsection (3), the onus of proving that the employment was terminated on the ground of serious and wilful misconduct lies on the employer.

Workers Rehabilitation and Compensation Act 1986

**PART 5
REGISTRATION AND FUNDING**

DIVISION 1—REGISTRATION OF EMPLOYERS

Registration of employers

59. (1) Subject to subsection (2), an employer shall not employ a worker in employment to which this Act applies unless the employer is registered by the Corporation.

Penalty: \$10 000 for each worker so employed.

(2) An employer is not required to be registered if the employer is exempted by the regulations from the obligation to be registered.

(3) No offence is committed by an employer against this section if the employer applies for registration within 14 days after the obligation to be registered arises.

Exempt employers

60. (1) Subject to this section, an employer or a group of employers may apply to the Corporation for registration as an exempt employer or as a group of exempt employers.

(2) An application shall not be made under subsection (1) unless—

(a) in the case of an application by an individual employer—

(i) the employer is a body corporate employing more than the prescribed number of workers; or

(ii) the employer is an indemnified maritime employer;

(b) in the case of an application by a group—

(i) the members of the group are related corporations or local government corporations; and

(ii) the members of the group employ in aggregate more than the prescribed number of workers.

(3) Where—

(a) an application is made under subsection (1); and

(b) the Corporation is satisfied—

(i) that the employer or the employers constituting the group have reached a standard that, in the opinion of the Corporation, must be achieved before conferral of exempt status can be considered; and

(ii) that in all the circumstances it is appropriate to do so,

the Corporation may register the employer or the group as an exempt employer or a group of exempt employers.

(4) A registration under this section—

(a) is subject to—

- (i) a condition that the exempt employer must not exercise any power or discretion delegated to the exempt employer under this Act unreasonably; and
- (ii) such other terms and conditions as the Corporation determines from time to time or as are prescribed by the regulations; and

(b) where the exemption was granted on the ground that the employer is an indemnified maritime employer—is subject to a condition limiting the effect of the exemption to the workers, or a specified class of the workers, to whom the relevant indemnity relates; and

(c) takes effect on a date fixed by the Corporation; and

(d) subject to this section—

- (i) has effect for an initial period (not exceeding three years) determined by the Corporation; and
- (ii) may, on further application to the Corporation, be renewed from time to time for a further period (not exceeding three years) determined by the Corporation at the time of the renewal.

(5) The Corporation may revoke the registration of an exempt employer, or reduce the period of registration if the employer breaches or fails to comply with this Act or a term or condition of registration.

(6) In deciding whether to grant, renew, revoke, or reduce the period of registration as an exempt employer or group of employers under this section the Corporation may have regard to such matters as it considers relevant and will have regard to the following:

- (a) whether the employer or group is, and is likely to continue to be, able to meet its liabilities;
- (b) the resources that the employer or group has for the purpose of administering claims for compensation;
- (c) the incidence and severity of compensable disabilities arising from employment by the employer or employers;
- (d) the effect, or likely effect, of the working conditions under which workers are employed by the employer, or any of the employers, on the health and safety of those workers;
- (e) the record of the employer or employers in relation to the rehabilitation of disabled workers;
- (f) the record of the employer or employers in providing suitable employment to workers who suffer compensable disabilities;
- (g) the views of any registered association that has, in the opinion of the Corporation, a proper interest in the matter,

Workers Rehabilitation and Compensation Act 1986

but once an employer or group has been registered as exempt, the Corporation must not, in deciding whether to renew the registration, consider the effect of the registration on the Compensation Fund.

(7) Where employers are registered as a group of exempt employers, one of those employers nominated in the application for registration shall, for the purposes of this Act, be treated as the employer of all workers employed by the various members of the group.

(8) Notwithstanding subsection (7), the members of the group are jointly and severally liable to satisfy the liabilities under this Act of the member referred to in subsection (7).

(9) In this section—

"indemnified maritime employer" means an employer that has the benefit of an indemnity granted by a member of the International Group of Protection and Indemnity Associations;

"related corporations" means corporations that are related corporations for the purposes of the *Companies (South Australia) Code*.

The Crown and certain agencies to be exempt employers

61. (1) Subject to subsection (2), the Crown and any agency or instrumentality of the Crown shall be deemed to be registered as exempt employers.

(2) The Governor may, by proclamation, declare that an agency or instrumentality of the Crown is not to be regarded as an exempt employer, and in that event the agency or instrumentality shall not be regarded as an exempt employer.

(3) The Governor may, by further proclamation, vary or revoke a proclamation under subsection (2).

(4) In this section—

"agency or instrumentality of the Crown" includes any body, or body of a specified class, prescribed by regulation for the purposes of this definition.

(5) A regulation for the purposes of subsection (4) may, if the regulation so provides, take effect from a day antecedent to the day on which it is made.

Applications

62. (1) An application for registration as an employer, an exempt employer or a group of exempt employers—

(a) must be made in the prescribed manner and form; and

(b) must be accompanied by the prescribed information; and

(c) in the case of an application for registration of a group of exempt employers—must nominate a member of the group as the employer who is, for the purposes of this Act, to be treated as the employer of all workers employed by the various members of the group.

DIVISION 2—DELEGATION TO EXEMPT EMPLOYERS

Delegation to exempt employer

63. (1) Subject to this Act, the following powers and discretions of the Corporation, insofar as they are exercisable in relation to workers of an exempt employer, are delegated to the exempt employer—

(a) the powers and discretions under the following sections:

Section 26

Workers Rehabilitation and Compensation Act 1986

(5) A reference to the Corporation in the provisions of this Act referred to in subsection (1) shall, in relation to any matter over which an exempt employer has delegated powers or discretions, be construed as a reference to that exempt employer.

(7) Where an employer ceases to be an exempt employer, the delegation to the employer under this section will, if the Corporation so determines, continue to such extent as the Corporation thinks fit in relation to disabilities that occurred before cessation of the exemption (and any act or omission of the employer within the scope of the delegation will be taken for the purposes of this Act, to be the Act or omissions of an exempt employer).

DIVISION 3—THE COMPENSATION FUND

(4) The Corporation may invest money that is not immediately required for the purposes of the Compensation Fund as the Corporation thinks fit.

(5) Subject to subsection (6), in deciding how to invest funds that are available for investment, the Corporation shall endeavour to achieve the highest possible rates of return.

(6) The Corporation is not required to comply with subsection (5) if the board unanimously decides, in relation to certain funds, to invest those funds at a lesser rate of return but so as to promote the economy of the State.

(7) Until there are sufficient funds in the Compensation Fund to meet the liabilities of the Fund, the Treasurer may, as may be required from time to time, lend money to the Corporation on such terms and conditions as the Treasurer may determine.

(8) The Treasurer may charge a fee of such amount as the Treasurer thinks fit in respect of any loan made to the Corporation under subsection (7).

DIVISION 4—IMPOSITION OF LEVIES

Preliminary

65. (1) In this Division—

"class" of industry includes a subclass;

"remuneration" includes payments made to or for the benefit of a worker which by the determination of the Corporation constitute remuneration but does not include payments determined by the Corporation not to constitute remuneration.

(2) For the purposes of this division, two or more workplaces in close proximity may, if the Corporation so determines, be regarded as a single workplace.

(3) For the purposes of this Division, two or more employers will, if the Corporation so determines, constitute a group if—

(a) they are capable of being treated as members of a group under the *Pay-roll Tax Act 1971*; or

(b) they are related in some other way.

(4) Where two or more employers constitute a group, one of those employers, nominated by the Corporation after consultation with the members of the group, will be treated as the employer of all workers employed by the members of the group.

Imposition of levies

66. (1) An employer (not being an exempt employer) is liable to pay a levy to the Corporation under this section.

(2) The levy is a percentage of the aggregate remuneration paid to the employer's workers in each class of industry in which the employer employs workers.

(3) The Corporation may for the purposes of this section divide the industries carried on in the State into various classes.

(4) The Corporation may determine any question as to the class of industry in which an employer employs workers.

(5) In determining the class of industry in which an employer employs workers the following provisions will be applied—

Workers Rehabilitation and Compensation Act 1986

- (a) if the employer employs a worker in two or more classes of industry—
- (i) the worker will, subject to any determination by the Corporation to the contrary, be treated as if solely employed in the class of industry in which he or she is predominantly employed; and
 - (ii) if it is not possible to determine which is the predominant class, the worker will be treated as if solely employed in a class of industry determined by the Corporation; and
- (b) if the employer employs workers in different classes of industry at a particular workplace, all workers employed at the workplace will, if the Corporation so determines, be treated as engaged in the predominant class of industry; and
- (c) in determining what is the predominant class of industry, the Corporation will have regard to—
- (i) the importance within the employer's total operations of each class of industry in which workers are employed; and
 - (ii) any other relevant factor.

(6) The Corporation—

- (a) must fix the percentages applicable to the various classes of industry by notice published in the *Gazette*; and
- (b) may, by subsequent notice published in the *Gazette*, vary the percentages so fixed.

(7) Subject to subsection (9), a percentage fixed under subsection (6) in relation to a class of industry must not exceed 7.5 per cent.

(8) In fixing the percentage applicable to a particular class of industry the corporation must have regard to—

- (a) the extent to which work carried on in that class is, in the opinion of the Corporation, likely to contribute to the cost of compensable disabilities; and
- (b) the need for the Corporation to establish and maintain sufficient funds—
 - (i) to satisfy the Corporation's current and future liabilities in respect of compensable disabilities attributable to traumas occurring in a particular period from levies raised from remuneration paid in that period; and
 - (ii) to make proper provision for administrative and other expenditure of the Corporation; and
 - (iii) to make up any insufficiency in the Compensation Fund resulting from previous liabilities or expenditures or from a reassessment of future liabilities.

(9) The Corporation may fix a percentage in excess of 7.5 per cent in relation to a particular class of industry if in each of two consecutive years the Corporation's estimate of the aggregate cost of claims in respect of disabilities attributable to traumas occurring in the year in the relevant class exceeds 30 per cent of the aggregate leviable remuneration paid to workers in that class.

(10) A percentage may not be fixed under subsection (9) in excess of 20 per cent.

(11) A percentage fixed under subsection (9) will be reviewed annually by the Corporation and applies until it is revoked or varied by the Corporation.

(12) The Corporation may, in prescribed circumstances, remit the levy payable by an employer under this section wholly or in part.

(13) Subject to any remission of levy granted by the Corporation where—

(a) the amount of levy payable by an employer in a financial year would, apart from this subsection, be less than the prescribed minimum levy; or

(b) an employer is registered but no levy would, apart from this subsection, be payable by the employer for that financial year,

the levy payable by the employer for that financial year is the prescribed minimum levy.

Adjustment of levy in relation to individual employers

67. (1) The Corporation may, in relation to a particular employer, having regard to all or any of the following matters—

(a) the adequacy or inadequacy of measures taken by the employer to reduce the incidence of work related traumas;

(b) the incidence or costs of claims in respect of compensable disabilities suffered by the employer's workers (disregarding unrepresentative disabilities and secondary disabilities);

(c) the rehabilitation facilities or services for disabled workers provided by the employer, or the absence or inadequacy of such facilities or services provided by the employer;

(d) the employer's practices as to the retention, employment or re-employment of disabled workers (and, in particular, any failure on the employer's part to provide, in accordance with this Act, employment to a worker who has suffered a compensable disability in the employer's employment);

(e) such other matters (whether similar or dissimilar to those referred to above) as the Corporation considers relevant,

grant to the employer a remission of the levy that would be otherwise payable or impose on the employer a supplementary levy (as the case may require).

(2) If the Corporation imposes a supplementary levy on an employer under subsection (1), it may also require the employer to observe conditions stipulated by the Corporation in a written notice given by the Corporation to the employer.

(3) If an employer fails to comply with a condition imposed under this section, the Corporation may impose on that employer a further supplementary levy.

(4) The Corporation may, for any proper reason—

(a) vary or revoke a condition imposed under this section; or

DIVISION 5—SPECIAL LEVY FOR EXEMPT EMPLOYERS

Special levy for exempt employers

68. (1) An exempt employer is liable to pay a levy to the Corporation under this section.

(2) The levy payable by an exempt employer will be a percentage of the levy that would have been payable by the employer if the employer were not registered as an exempt employer and will be fixed by the Corporation with a view to raising from exempt employers—

- (a) a fair contribution towards the administrative expenditure of the Corporation; and
- (b) a fair contribution towards the cost of rehabilitation funding; and
- (c) a fair contribution towards the cost to the Corporation of reviews and appeals that relate to decisions of exempt employers; and

- (a) to reduce the incidence of work related traumas and disabilities; and
- (b) to provide for the rehabilitation of disabled workers; and
- (c) to provide for the administration of claims,

conform to or exceed standards determined by the Corporation for the purposes of this subsection, the Corporation may grant to the exempt employer such remission of the levy that would otherwise be payable by the exempt employer as the Corporation thinks fit.

- (ii) if the employer is not an exempt employer—a statement of the aggregate remuneration paid to the employer's workers in each class of industry during that month; and
- (b) prescribed information in relation to claims lodged with the employer under this Act during that month; and
- (c) such other information as may be prescribed or required by the Corporation.

(2) The return must be accompanied by the levy payable by the employer in respect of that month.

(3) The Corporation may require an employer to provide—

- (a) a certificate signed by the employer, a person authorised to act on the employer's behalf or, if the Corporation so requires, a person with prescribed accounting qualifications, verifying the information contained in a return; or
- (b) some other verification of that information of a kind stipulated by the Corporation.

(4) The Corporation may—

- (a) determine that a requirement of this section will not apply to a particular employer or employers of a particular class; and
- (b) impose, by notice to the particular employer or by notice in the *Gazette*, such other requirements on that employer or those employers as may be appropriate in the circumstances.

(4a) The Corporation may, by further notice in the *Gazette*, vary or revoke requirements imposed under subsection (4)(b), or impose new requirements.

(5) Where—

- (a) an employer fails to comply with a requirement imposed by or under this section; or
- (b) a return furnished by or on behalf of an employer includes a statement that is, to the knowledge of the employer, false or misleading in a material particular; or
- (c) an employer in a return intentionally understates the aggregate remuneration paid by the employer,

the employer is guilty of an offence.

Penalty: \$50 000.

(6) The Corporation may determine that payments of a particular class are to be brought into account or to be excluded from account in the calculation of aggregate remuneration paid by an employer for the purposes of this Part.

DIVISION 7—RECOVERY OF LEVIES AND FINES

Recovery on default

70. (1) Where an employer—

- (a) fails or neglects duly to furnish a return when required by or under this Act; or

(a) the fixing or assessment of a levy; or

(b) the imposition of penalty interest or a fine; or

(c) the imposition or variation of a condition of a kind that may lead to the imposition of a supplementary levy,

is unreasonable, the Board must, on application by the employer, review the decision.

(2) An application for review does not suspend a liability to pay a levy, penalty interest or a fine.

(3) The review will be conducted, in accordance with procedures determined by the Board, by the Board itself, or by a committee or person to whom the Board has delegated its powers of review under this section, and the Board has an absolute discretion as to whether it will permit the employer or a representative of the employer to be heard orally on the review.

DIVISION 5—PROCEEDINGS BEFORE REVIEW AUTHORITIES

Principles relating to reviews

88. (1) In proceedings under this Act, a review authority—

- (a) shall act according to equity, good conscience and the substantial merits of the case without regard to technicalities and legal forms; and
- (b) is not bound by any rules of evidence, but may inform itself on any matter in such manner as it thinks fit.

(2) A review authority may refer any technical or specialised matter to an expert and accept that expert's report as evidence.

(3) Where an expert's report is obtained under subsection (2), the expert must, if a party to the proceedings so requests, be called for examination or cross-examination on the subject matter of the report.

(4) A review authority must, in conducting its proceedings under this Act, act as expeditiously as possible.

Notice of proceedings, etc.

89. (1) Reasonable notice shall be given to a party to proceedings before a review authority of the time and place at which the authority is to hear those proceedings.

(2) A party must be afforded a reasonable opportunity to make submissions to the review authority and, in the case of proceedings before a Review Officer, a reasonable opportunity to call or give evidence and to examine or cross-examine witnesses (but a Review Officer is not obliged to hear evidence from a witness—either generally or on a particular subject—if satisfied that the evidence is not relevant, or if of the opinion that the evidence would merely provide unnecessary corroboration of other evidence admitted by the Review Officer).

(2a) A review authority may require evidence or argument to be presented in writing, and may decide the matters on which it will hear oral evidence or argument.

(3) If a party does not attend at the time and place fixed by the notice, the review authority may hear the proceedings in the absence of that party.

Powers of Review Authority

90. (1) In the exercise of its powers or functions, a review authority may—

- (a) by summons signed by or on behalf of the authority, require the attendance before the authority of any person; and
- (b) by summons signed by or on behalf of the authority, require the production of any relevant document, object or material; and

Repeal of Workers Compensation Act 1971

125. The *Workers Compensation Act 1971* is repealed.

SCHEDULE 1

Transitional Provisions

Interpretation

1. In this schedule—

"the appointed day" means the day on which the *Workers Compensation Act 1971* is repealed by this Act;

"compensating authority" means the Corporation or an exempt employer.

Application of repealed Act

2. (1) Subject to this clause, the repealed Act continues to apply in respect of a disability that is attributable to a trauma that occurred before the appointed day.

(2) This Act applies in relation to a disability (referred to in this clause as a "transitional disability") that is partially attributable to a trauma that occurred before the appointed day and partially attributable to a trauma that occurred on or after the appointed day, but does not affect rights (referred to in this clause as "antecedent rights") that had accrued before the appointed day in respect of a transitional disability.

(3) The following provisions apply in relation to a transitional disability—

(a) where a compensating authority pays or is liable to pay compensation to a claimant under this Act in relation to a transitional disability, the compensating authority is subrogated, to an appropriate extent, to the antecedent rights of the claimant;

(b) where the claimant has received, in pursuance of antecedent rights, damages or compensation (not being weekly payments for a period of incapacity that concluded before the appointed day), there shall be an appropriate reduction in the amount of compensation payable under this Act in respect of the disability;

(c) the extent of a subrogation under paragraph (a), or a reduction in the amount of compensation under paragraph (b), shall be determined having regard to—

(i) the amount of the compensation payable (apart from this subclause) under this Act in respect of the transitional disability; and

(ii) the extent to which the transitional disability is attributable to a trauma that occurred before the appointed day; and

(iii) any other relevant factors.

(4) Where a compensating authority—

(a) pays compensation to a claimant under this Act; and

(b) becomes entitled to recover a proportion of the payment from an employer by virtue of subrogation to the rights of the claimant under subclause (3)(a); and

(c) notifies that employer in writing of the payment,

the amount recoverable from the employer will be increased by interest at the prescribed rate as from the date of the notification.

(5) The Corporation will, in the first instance, make a determination of—

(a) the extent of a subrogation under subclause (3)(a) or a reduction in the amount of compensation under subclause (3)(b); and

(b) the amount of any consequential liability.

(6) Before making such a determination the Corporation must allow any person whose interests may be affected by the determination a reasonable opportunity to make representations to the Corporation on the subject matter of the determination and when the determination is made the Corporation must give written notification (personally or by post) of the terms of the determination to every person whose interests are affected by it.

(7) Any such person may, by written notice served personally or by post on the Corporation within one month after receiving notice of the determination or such longer period as the Corporation may allow, dispute the determination.

(8) Any such dispute may be referred on the application of any party affected by the determination—

(a) to the Industrial Court; or

(b) if all parties affected by the determination agree—to an arbitrator appointed under the *Commercial Arbitration Act 1986*,

(but where the dispute is referred to an arbitrator no part of the costs of the arbitration can be awarded against the worker).

(9) Where a dispute is so referred, the Industrial Court or the arbitrator will review the Corporation's determination and may confirm, vary or revoke it.

(10) Subject to the regulations, a determination by the Corporation under this clause may be enforced in the same way as a judgment of the Industrial Court.

(11) A determination by the Corporation may be enforced notwithstanding that it is disputed, but if it appears from the result of a review that a compensating authority has recovered an amount in pursuance of the determination to which the compensating authority is not entitled, that amount must be repaid together with interest at the prescribed rate.

Exempt employers

3. (1) An employer in respect of whom a certificate of exemption was in force under Division 2 of Part 10A of the repealed Act immediately before the appointed day shall be deemed to have been registered, on the appointed day, as an exempt employer under this Act.

(2) If within 30 days after the appointed day the Local Government Association lodges with the Corporation a schedule of local government corporations to be registered as a group of exempt employers under this Act, those corporations shall be so registered and shall be deemed to have been so registered as from the appointed day.

Mining and Quarrying Industries Fund

4. (1) The scheme established under Part 9 of the repealed Act continues in existence for the settlement of claims and other matters arising in relation to death or disablement from silicosis suffered before the appointed day with the following qualifications:

(a) the Corporation will be liable to satisfy any claim made under the scheme; and

(b) the money standing to the credit of the general compensation fund is to be transferred to the Corporation.

(2) The money received by the Corporation under subclause (1) must be paid into a special account entitled the *Mining and Quarrying Industries Fund*.

(3) The Mining and Quarrying Industries Fund is to be notionally divided into two parts (Part A and Part B), one part (Part A) to be available to the Corporation to satisfy its liabilities under subclause (1) and the balance (Part B) to be available to the Mining and Quarrying Occupational Health and Safety Committee established under schedule 4 for the purposes referred to in that schedule.

Workers Rehabilitation and Compensation Act 1986

- (4) For the purposes of the division of the Mining and Quarrying Industries Fund into two parts—
- (a) the Corporation must on 30 June 1995 and thereafter at three yearly intervals arrange for an actuary to estimate the extent of the Corporation's existing and prospective liabilities under subclause (1) at that date; and
 - (b)
 - (i) if it appears from any such estimate that the amount standing to the credit of Part A exceeds the amount required to satisfy the Corporation's liabilities under subclause (1), the amount of the excess must be transferred from Part A to Part B;
 - (ii) if it appears from any such estimate that the amount standing to the credit of Part A is less than the amount required to satisfy the Corporation's liabilities under subclause (1), the amount required to make up the deficiency must be transferred from Part B to Part A.
- (5) The Corporation must keep separate accounting records for Parts A and B.
- (6) Money standing to the credit of the Mining and Quarrying Industries Fund (and not immediately required for the purposes of the fund) may be invested as if it were part of the Compensation Fund.
- (7) Income and accretions produced by the investment of the money must be shared between Parts A and B (the amount of the shares being determined according to the extent to which money held on each account has contributed to the amount invested).
- (8) The Corporation may debit the Mining and Quarrying Industries Fund with—
- (a) the reasonable costs of administering the fund; and
 - (b) the reasonable costs of providing services, facilities and staff to the Mining and Quarrying Occupational Health and Safety Committee under schedule 4.

Statutory Reserve Fund

5. (1) The Statutory Reserve Fund shall be paid into the Compensation Fund.
- (2) Notwithstanding subclause (1), a claim in respect of workers compensation liabilities under the repealed Act may be made as if Part 10A of the repealed Act had not been repealed and any amount required to satisfy a proper claim shall be payable from the Compensation Fund.
- (3) In this clause—

"workers compensation liabilities" has the same meaning as in Part 10A of the repealed Act.

Acts Interpretation Act

6. The *Acts Interpretation Act 1915* shall, except to the extent of any inconsistency with the provisions of this schedule, apply to the repeal of the *Workers Compensation Act 1971*.
