REGULATIONS UNDER THE EXPIATION OF OFFENCES ACT 1996

Expiation of Offences Regulations 1996

being

No. 258 of 1996: *Gaz.* 23 December 1996, p. 2237¹

¹ Came into operation 3 February 1997: reg. 2.

Citation

1. These regulations may be cited as the *Expiation of Offences Regulations 1996*.

Commencement

2. These regulations will come into operation on 3 February 1997.

Revocation

3. All regulations previously made under the *Expiation of Offences Act 1987* are revoked.

Interpretation

4. In these regulations—

"Act" means the *Expiation of Offences Act 1996*;

"levy" means the levy payable under the *Criminal Injuries Compensation Act 1978*.

Prescribed forms

5. (1) The forms set out in the Schedule are prescribed for the purposes specified in the Schedule.

(2) Entries in a form that are in italics are instructions to issuing authorities and do not form part of the form.

(3) If an issuing authority makes credit card or debit card facilities available for payments of amounts under expiation notices, the forms may be adjusted to refer to or provide for payments by credit card or debit card.

Community service requirements

6. (1) If an order for community service is made under section 9 of the Act in relation to a person, the following provisions apply:

- (a) the person may not be required to perform community service for less than 4 or more than 24 hours each week;
- (b) the person may not, except in circumstances approved by the Minister, be required to perform community service for a continuous period exceeding 8 hours;
- (c) one hour of any period of community service exceeding 4 hours must be a meal break;
- (d) the person may not be required to perform community service at a time that would interfere with his or her remunerated employment or with a course of training or instruction relating to, or likely to assist him or her in obtaining, remunerated employment, or that would cause unreasonable disruption of the person's commitments in caring for his or her children;
- (e) the person may not be required to perform community service at a time that would cause him or her to offend against a rule of a religion that he or she practises;
- (f) the order must require the person to comply with reasonable directions given by the community services officer to whom the person is assigned.

3.

(2) A community service officer is empowered to give the same directions to a person in respect of whom an order for community service has been made under the Act as the officer would be able to give if the person were serving a sentence of community service.

Reminder notices

7. (1) For the purposes of section 11(3) of the Act, the reminder notice fee is—

- (a) \$30; plus
- (b) if a vehicle was involved in the alleged offence to which the expiation notice relates—the fee incurred for one search of the register kept under the *Motor Vehicles Act 1959*.

(2) An expiation reminder notice must be accompanied by—

- (a) a notice in the prescribed form by which the alleged offender may elect to be prosecuted for the offence or any of the offences to which the notice relates; and
- (b) if the notice is issued to the registered owner of a motor vehicle involved in the alleged offence and the issuing authority is required to invite the owner to submit a statutory declaration relating to the question of whether the owner was the driver at the time of the alleged offence—a form suitable for use as a statutory declaration.

Expiation and reminder notices relating to more than one offence

8. (1) If an expiation reminder notice relates to more than one offence, the issuing authority must not accept payment unless it comprises the reminder notice fee (except if it is waived) plus the expiation fees and levies (if any) for all offences except any for which the alleged offender elects to be prosecuted.

(2) However, failure to comply with subregulation (1) does not affect the authority's right under the Act to enforce the notice in relation to any offence remaining unexpiated.

(3) If an order for relief is granted under section 9 of the Act in relation to an amount outstanding under an expiation reminder notice that relates to more than one offence, instalments paid or community service performed under the order must be applied first in satisfaction of the reminder notice fee.

(4) For the purposes of an enforcement order made in relation to more than one offence, an outstanding reminder notice fee will be added to the outstanding amount of the expiation fee for the first offence to which the order relates.

Certificate for enforcement purposes

9. For the purposes of section 13(1) of the Act, the certificate to be sent by the issuing authority to the Court must contain the following particulars:

- (a) the identity of the issuing authority; and
- (b) the name and address of the alleged offender; and
- (c) the date on which the expiation notice was issued and the number of the notice; and

4.

- (d) the date on which the reminder notice was issued; and
- (e) the date of the certificate; and
- (f) for each alleged offence that remains unexpiated—
 - (i) details of the offence, including the location, date and time of the offence and details identifying the category of offence; and
 - (ii) the outstanding amount of the expiation fee; and
 - (iii) if a levy is payable in respect of the offence—a statement as to whether or not the levy has been paid; and
 - (iv) if the offence involved a vehicle—
 - (A) a statement as to whether the expiation notice was issued to a person in the capacity of registered owner or driver of the vehicle; and
 - (B) the vehicle registration number and the State or Territory in which the vehicle was registered at the time of the offence; and
 - (v) if the expiation notice was issued to a person in the capacity of driver of a vehicle—the class of driver's licence or permit (if any) held by the alleged offender, the number of the licence or permit and the State or Territory in which it was issued; and
- (g) the outstanding amount (if any) of the reminder notice fee.

YOUR CHOICES

You must on or before the pay by date—

- if you were not driving at the time of the offence—complete the statutory declaration set out below naming the driver or, if you had by the time of the offence transferred ownership of the vehicle, the owner and post or deliver it as set out below; OR
- dispute the allegation that you committed the offence and elect to be prosecuted;
[If you elect to be prosecuted for the offence, you may get a summons. The summons will set out when and where to attend court. Complete the appropriate form on the front of this notice and post or deliver it as set out below. However, you may first dispute the offence informally. Phone, write or attend as set out below.] OR
- pay the total amount due (including the reminder notice fee);
[Payment may be by cash (cash must not be sent by mail), money order or cheque payable to *[insert name]*. Receipts are only issued on request. Complete the appropriate form on the front of this notice and post or deliver it as set out below.] OR
- apply to the court to pay the fee in instalments or to work it off by community service.
[You may make an application to the Registrar of the Magistrates Court or Youth Court only if you owe \$50 or more in expiation fees (including fees under other notices). The Registrar must be satisfied that payment of the fee would cause you or your dependants hardship. Community service is only available if you owe \$150 or more by way of expiation fees and cannot pay in instalments. *[The issuing authority may insert a statement to the effect that it may allow deferred payment.]*]

For further information: phone *[insert number]*; post *[insert address]*; attend *[insert address]*
Payment details: *[insert details of how and where payments may be made]*

If no choice is made for the offence, you may (without a court hearing) be convicted of the offence and the unpaid fee will be your fine. Court costs will be added.
