- (4) All tenders deposited in the locked box must remain there until the close of tenders.

- (5) A person must not interfere with or remove a tender from the locked box prior to the close of tenders.
Maximum penalty: \$1 250.
- (6) At the close of tenders the Minister must open the locked box in the presence of two persons appointed by the Minister for this purpose.
- (7) One of those persons must remove each of the envelopes from the box taking each one singly and at random and, after removing an envelope from the box, that person must open the envelope and hand the contents to the other person.
- (8) On receiving the contents of an envelope the other person must prepare a schedule of tenderers containing—
- (a) the name of each tenderer; and
 - (b) the amount tendered; and
 - (c) the order in which the envelopes containing the tenders were removed from the box.
- (9) When all the tenders have been removed from the box and the schedule of tenderers has been completed the Minister must examine each tender and the schedule of tenderers.
- (10) If one licence in respect of the fishery is to be granted—
- (a) the amount payable for the licence will be an amount equal to the highest amount tendered; and
 - (b) the successful applicant will be the person who tenders an amount equal to the highest amount.
- (11) If one licence in respect of the fishery is to be granted and more than one person tenders an amount equal to the highest amount—
- (a) one of the persons who tendered an amount equal to the highest amount will be the successful applicant; and
 - (c) the successful applicant will be the person whose tender was removed from the box before the tenders of the other persons who tendered an amount equal to the highest amount.
- (12) If more than one licence in respect of the fishery is to be granted and the number of licences to be granted is equal to the number of persons who have tendered an amount equal to or greater than the clearing price, those persons who have tendered an amount equal to or greater than the clearing price will be the successful applicants.
- (13) If the number of licences to be granted in respect of the fishery is less than the number of persons who have tendered an amount equal to or greater than the clearing price, the successful applicants will be selected as follows:
- (a) each of the persons who tendered an amount greater than the clearing price will be a successful applicant; and
 - (b) the name of the other persons who have tendered an amount equal to the clearing price will be put on a list in the order in which their tender was removed from the box and the successful applicant will be the person whose name appears first on the list; and

- (c) if, after following the procedure specified in paragraph (b), there remains one or more licences to be granted in respect of the fishery, the successful applicant or applicants in respect of that licence or those licences will be the person whose name appears next on the list prepared under paragraph (b) and so on in descending order until a successful applicant has been determined in respect of each licence to be granted.
- (14) If more than one licence is to be granted in respect of the fishery the amount payable for that licence will be the clearing price determined by the Minister at the close of tenders.
- (15) If a person makes a tender that is successful but—
- (a) the person fails, within a reasonable time, to make an application for the licence in respect of which his or her tender was accepted; or
 - (b) the person makes such an application but for any reason does not accept the licence that the Minister is prepared to grant in the person's favour,
- the person forfeits an amount equal to 10 per cent of the amount tendered on the Minister making a demand on the guarantee referred to in subclause (1).
- (16) If a person makes a tender that is not successful, or the tender is successful but the Minister is not prepared to grant the licence in the person's favour, the person does not forfeit the amount of 10 per cent of the amount tendered.
- (17) In this Schedule—
- clearing price* means an amount equal to the lowest amount that, having regard to the number of licences to be granted in respect of the fishery, would have to be tendered by an applicant to enable that applicant to be a successful applicant.
