14—Rock lobster pot entitlement

- (1) The Director may impose or vary conditions on licences in respect of a rock lobster fishery fixing rock lobster pot entitlements as follows:
- (a) a rock lobster pot entitlement may be fixed by condition of a licence but must—
 - (i) in the case of a licence in respect of the Northern Zone Rock Lobster Fishery—be not more than 70 and not less than 25;
 - (ii) in the case of a licence in respect of the Southern Zone Rock Lobster Fishery—be not more than 100 and not less than 40;
 - (b) the rock lobster pot entitlement fixed by any such condition of a licence must be the number endorsed on the licence as the rock lobster pot entitlement under the revoked regulations immediately before the commencement of these regulations subject to any subsequent variation made in accordance with this regulation;
 - (c) the rock lobster pot entitlements fixed by licence conditions as referred to in this regulation may be increased or decreased on the same proportionate basis for all licences (provided that where in relation to any licence the result of such proportionate variation would be a fractional entitlement, that fractional entitlement is increased to the next highest whole number) if the Director is satisfied that it is appropriate to do so for the proper management of a rock lobster fishery;
 - (d) subject to paragraph (e), the rock lobster pot entitlements fixed by the conditions of any two licences in respect of the same fishery may, on application made by the holders of those licences in a manner and form approved by the Director and payment of the fee specified in Schedule 2, be varied so as to increase the entitlement under one of the licences and decrease the entitlement under the other by a corresponding number;
 - (e) a variation must not be made as referred to in paragraph (d) if it would result in the entitlement under one of the licences exceeding the upper limit referred to in paragraph (a);
 - (ea) a variation must not be made as referred to in paragraph (d) if it would result in the entitlement under one of the licences falling below the lower limit referred to in paragraph (a) unless—
 - (i) the variation is expressed to apply only until the expiry of the licence; or
 - (ii) —
 - (A) the licence is surrendered to the Director; and

- (B) if any boat registered by endorsement on that licence is the subject of, is registered by endorsement on, or is otherwise referred to in, a licence, permit, authority or other entitlement to take fish granted under the Commonwealth Act or the laws of another State or Territory (other than a prescribed Victorian licence)—that other licence, permit, authority or entitlement is also surrendered;
- (f) notwithstanding any other provisions of this regulation, where the rock lobster pot entitlement under a licence in respect of the Southern Zone Rock Lobster Fishery was, immediately before the commencement of these regulations, less than 40, the entitlement under that licence may, until the licence is transferred, continue to be fixed at a number less than 40;
- (g) notwithstanding any other provisions of this regulation, a variation may be made in accordance with paragraph (c) in respect of the Northern Zone Rock Lobster Fishery despite the fact that it would result in the rock lobster pot entitlement under a licence falling below 25, and, in that event, the entitlement under that licence may, until the licence is transferred, continue to be fixed at a number less than 25 but may not be decreased subsequently except to a number not less than 25.
- (1a) The holder of a licence in respect of the Northern Zone Rock Lobster Fishery must not, for the purpose of trade or business, engage in a fishing activity of a class that constitutes the Fishery while the rock lobster pot entitlement endorsed on the licence is less than 25.
- Penalty: Division 6 fine.
Expiation fee: Division 6 fee.
- (2) The Director may impose conditions on licences in respect of a rock lobster fishery limiting the number of rock lobster pots that may be carried on boats and otherwise regulating the carrying of rock lobster pots on boats used for fishing activities pursuant to the licences.
- (3) Where a court convicts the holder of a licence in respect of a rock lobster fishery of an offence of contravening a condition of the licence fixing a rock lobster pot entitlement, the court must make an order requiring the Director to vary the conditions of the licence so as to reduce the rock lobster pot entitlement under the licence by one rock lobster pot for each rock lobster pot used in excess of the entitlement.
