Legislative history

1—Short title

These regulations may be cited as the *Liquor Licensing (Dry Areas) Regulations 2012*.

4—Interpretation

(1) In these regulations, unless the contrary intention appears—

Act means the *Liquor Licensing Act 1997*;

container means the container in which liquor is sealed so that it cannot escape but does not include packaging in which the container is sold;

private land means any land that is not a public place within the meaning of the Act;

revoked long term regulations means the *Liquor Licensing (Dry Areas—Long Term) Regulations 1997*;

road includes a street, avenue, terrace, lane, crescent, court, place or other land set aside for the carriage of vehicular traffic.

(2) Unless the contrary intention appears, a reference in these regulations to a road is a reference to—

(a) the carriageway of the road; and

(b) the footpaths (if any) of the road; and

(c) a median strip or traffic island (if any) or any other land separating carriageways of the road; and

(d) any other land adjoining or adjacent to the carriageway of the road being land that has been reserved for the purposes of the road.

(3) For the purposes of these regulations, a wine cask will be taken to have been opened if the tap comprising part of the container is protruding through the external carton.

(4) Subject to subregulation (5), where, on the commencement of these regulations, a description or plan of an area in a Schedule is substantially the same as a description or plan of an area in the revoked long term regulations immediately prior to the commencement of these regulations, a reference in that description or plan to a road, land parcel, land use, geographical location, physical feature or other thing is to be interpreted as at the time the reference was first included as part of the description or plan in the revoked long term regulations.

(5) A reference included in a Schedule after the commencement of these regulations is to be interpreted as at the time of its inclusion.

(6) For the purposes of subregulation (4), a description or plan of an area does not cease to be substantially the same as a description or plan in the revoked long term regulations by reason only of differences in headings, setting-out, references to other provisions of the regulations, spelling or other non-substantive matters.

5—Dry areas (section 131 of Act)

(1) Subject to subregulation (2), the consumption of liquor or the consumption and possession of liquor are prohibited in accordance with each Schedule in the areas described in the Schedule during the periods specified in the Schedule.

(2) The prohibition does not extend to any private land within an area described in a Schedule.

(3) Unless the contrary intention appears, the prohibition in a Schedule of the possession of liquor in an area does not extend to—

(a) a person who is genuinely passing through the area if—

(i) the liquor is in the original container in which it was purchased from licensed premises; and

(ii) the container has not been opened; or

(b) a person who has possession of the liquor in the course of carrying on a business or in the course of his or her employment by another person in the course of carrying on a business; or

(c) a person who is permanently or temporarily residing at premises within the area or on the boundary of the area and who enters the area solely for the purpose of passing through it to enter those premises or who enters the area from those premises for the purpose of leaving the area; or

(d) such other persons (if any) who are specifically excluded by a Schedule.

6—Plans of dry areas

(1) The Schedules set out plans of some of the areas described.

(2) If the description of an area in a Schedule does not coincide with the plan of the area, the description will be taken to be correct.
