The *Motor Vehicles Regulations 2010* are repealed.

Part 2—Transitional provisions

2—Transitional provisions relating to determinations, etc

- (1) A determination, declaration, approval, authorisation or instrument in writing, or a requirement, direction or notice, made, given or continued in force under or for the purposes of the repealed regulations that is in force immediately before the commencement of these regulations continues in force as a determination, declaration, approval, authorisation or instrument in writing, or requirement, direction or notice, given or made under or for the purposes of any corresponding provision of these regulations, subject to—
 - (a) the conditions (if any) of the determination, declaration, approval, authorisation instrument in writing, requirement, direction or notice; and
 - (b) amendment or repeal under these regulations.
- (2) An exemption from a provision of the repealed regulations that is in force immediately before the commencement of these regulations continues in force as an exemption from the corresponding provision of these regulations, subject to—
 - (a) the conditions (if any) of the exemption; and
 - (b) amendment or repeal under these regulations.
- (3) In this clause—

repealed regulations means the *Motor Vehicles Regulations 2010*.

3—Transitional provision relating to *Motor Vehicles (Motor Bike Driver Licensing) Amendment Regulations 2024*

- (1) This clause applies to a person who successfully completed the basic motor bike training course before the commencement of the *Motor Vehicles (Motor Bike Driver Licensing) Amendment Regulations 2024* but who has not been issued with a learner's permit authorising the driving of a motor bike.
- (2) However, this clause ceases to apply to a person if, on the expiration of 12 months from the day on which the person completed the basic motor bike training course, the person has not applied for a learner's permit authorising the driving of a motor bike (and, to avoid doubt, in such circumstances these regulations will apply in relation to any subsequent application by the person for a learner's permit or licence authorising the driving of a motor bike).
- (3) Regulation 52 does not apply to a person to whom this clause applies and instead, for the purposes of section 75A(2)(a)(v) of the Act, the basic motor bike training course is prescribed.
- (4) To avoid doubt any learner's permit authorising the driving of a motor bike issued to a person in accordance with this clause will be taken to have satisfied the requirements of these regulations.

(5) In this clause—

basic motor bike training course means the motor bike driver training that was conducted by the Transport Department relating to basic motor bike control skills that involves basic braking, cornering, gear shifting, bike control theory, traffic skills and a practical skills assessment immediately prior to the commencement of the *Motor Vehicles (Motor Bike Driver Licensing) Amendment Regulations 2024*.
