- (b) circulates in the geographical area to which the notice relates or, if the area is an offshore place, the geographical area closest to it; and
- (c) is published at least once a month.

5—Commonwealth and State Ministers

For the purposes of the Act—

- (a) the Commonwealth Minister applicable, in relation to section 207A of the Commonwealth Act, under section 19A of the *Acts Interpretation Act 1901* (Cwth.) is designated as the Commonwealth Minister; and
- (b) the Attorney-General of the State is designated as the State Minister.

6—Information to be included in State Native Title Register

- (1) The State Native Title Register must contain the following information in relation to each decision recorded in the register:
 - (a) the name of the body that made the decision;
 - (b) the date on which the decision was made;
 - (c) a description of the land covered by the decision;

- (2) The State Native Title Register must contain the following information in relation to each claim to native title in land registered under the Act:
 - (a) the date on which the claimant application was made;
 - (b) the date on which the claim is entered on the register;
 - (c) a description of the land covered by the claim;
 - (d) a description of the persons who it is claimed hold the native title;
 - (e) a description of the rights conferred by the native title claimed that the Registrar considers can, *prima facie*, be established.
- (3) The State Native Title Register must contain a note of each claimant application (but the applicant is not to be taken to be a registered claimant until the claim is registered), unless the application is so defective that, in the opinion of the Registrar, it cannot be properly noted.
- (4) A note of an application may be altered or removed by the Registrar in accordance with the rules.
- (5) The Registrar may include in the State Native Title Register such other details about claims, decisions or native title declarations as the Registrar thinks appropriate.

- (3) However, an application may not be amended to include an area of land that was not covered by the original application unless—
 - (a) the application is a claimant application; and

- (b) the amendment includes an area of land covered by a claimant application or applications with which the application is combined.
- (4) If an amendment includes the substitution of the registered representative of the claimants or the representative in a claim for compensation (see section 27A of the Act), the Registrar must be provided with an affidavit sworn by the new representative stating the factual basis on which it is asserted that the new representative is authorised to deal with matters arising in relation to the application on behalf of the Aboriginal group concerned.
- (5) In the case of a claimant application, the fact that the Registrar is considering the claim does not prevent amendment of the application.
- (6) In the case of an application recorded or noted on the State Native Title Register, the amendment must be noted on the register.
