

ANNO QUARAGESIMO TERTIO ET QUADRAGESIMO
QUARTO

VICTORIÆ REGINÆ.

A.D. 1880.

No. 175.

An Act to authorise the construction of Wells, Tanks, and other Works for the purpose of affording a Supply of Water to the District of Glen Osmond, and for other purposes.

[Assented to, October 25th, 1880.]

WHEREAS it is desirable to authorise the construction of a well, tank, and other works for the purpose of affording a supply of water to the District of Glen Osmond, according as the said district is defined in the Schedule hereto, and for the purpose of improving the supply of water to Burnside, Mitcham, Magill, and other places: And whereas plans and sections showing the source of supply, and the said wells, tanks, and other works, and the direction of the main and branch pipes, and the streets and grounds through which they are to be laid, and also books of reference containing the names of the owners and occupiers, or reputed owners and occupiers (so far as known), of any private lands through which any of the said works will pass, have been deposited in the office of the Surveyor-General at Adelaide—Be it therefore Enacted by the Governor of the Province of South Australia, with the advice and consent of the Legislative Council and House of Assembly of the said province, in this present Parliament here assembled, as follows:

Preamble.

1. The Commissioner of Waterworks may construct, out of any moneys which have been, or hereafter may be, voted by Parliament for such purpose, the wells, tanks, and other works in accordance with the plans and sections deposited as aforesaid in the office of the Surveyor-General at Adelaide.

Commissioner of Waterworks may construct well, tank, and other works.

Glen Osmond Waterworks Act.—1880.

Errors and omissions in plans, &c., may be corrected by Justices, &c.

2. If any error, omission, misstatement, or wrong description shall have been made of any lands or streams, or of the owners or occupiers or reputed owners or occupiers of any lands or streams, delineated or shown on the said plans or sections or described in the books of reference deposited as aforesaid, the Commissioner of Waterworks, after giving ten days' notice to the owners or occupiers or reputed owners or occupiers of the lands or streams affected or likely to be affected by the correction of such error, omission, misstatement, or wrong description, may apply to any two Justices to correct the same; and if it shall appear to such Justices that it is expedient and not unjust to correct such error, omission, misstatement, or wrong description, they shall give the said Commissioner a certificate in such form as they shall think proper, and shall in such certificate state the particulars of any such error, omission, misstatement, or wrong description, and such certificate with the documents to which it refers shall be deposited with the other documents to which they refer in the office of the Surveyor-General, and thereupon such plans, sections, or books of reference shall be deemed to be corrected according to such certificate, and the said Commissioner may make, complete, extend, and maintain the works hereby authorised in accordance with such certificate as if such error, omission, misstatement, or wrong description had not been made.

Surveyor-General to keep plans, &c.

3. The Surveyor-General shall keep the said plans and sections and books of reference and all other documents deposited with him for the purposes of this Act, and shall allow all persons interested to inspect any of the documents aforesaid, and to make copies of and from the same.

Incorporation.

4. Except so far as the same are inconsistent with or altered by this Act—"The Adelaide City, Port, and Suburban Waterworks Act," "The Lands Clauses Consolidation Act," and an Act, No. 26 of 1855-6, intituled "An Act to Amend the Lands Clauses Consolidation Act," shall be incorporated herewith, and for the purposes of this Act the expression "the promoters of the undertaking" whenever used in "The Lands Clauses Consolidation Act" shall mean the Commissioner of Waterworks, and the words "special Act" shall mean this Act.

Interpretation.

5. In the construction of and for the purposes of this Act and "The Adelaide City, Port, and Suburban Waterworks Act," when not inconsistent with the context, the expression the "undertaking" shall, in addition to the meaning assigned thereto by the said, "The Adelaide City, Port, and Suburban Waterworks Act," mean and include the well, tank, and other works hereby authorised to be constructed; the expression "lands and streams" shall, in addition to the meaning assigned thereto by the said Act, mean and include the lands and streams of water hereby authorised to be taken or used for the purposes hereof, and the expression "water area" shall, in addition to the meaning assigned thereto by the said Act, mean and include

Glen Osmond Waterworks Act.—1880.

include the District of Glen Osmond, according as the boundaries thereof are defined in the Schedule hereto.

6. This Act may for all purposes be cited as the “Glen Osmond Waterworks Act, 1880.” Short Title.

In the name and on behalf of Her Majesty, I hereby assent to this Bill.

WM. F. DRUMMOND JERVOIS, Governor.

SCHEDULE.

Glen Osmond Water Area.

Commencing at the south-western corner of section 891, Hundred of Adelaide; thence northerly along the eastern side of road east of preliminary section 248, to a point opposite the north-eastern corner of said section; thence westerly to said corner, and along the northern boundary of said section to its north-western corner; thence northerly and westerly along the eastern and northerly boundaries of preliminary section 245 across the road to the south-east corner of preliminary section 235; thence northerly along its eastern boundary and across the road to the south-east corner of preliminary section 236; thence easterly by the southern boundary of preliminary sections 243 and 251, and northerly by the eastern boundaries of preliminary sections 251 and 252 to the north-east corner of the latter; thence easterly and northerly along the southern and eastern boundaries of preliminary section 265 to its north-east corner; thence easterly along the southern boundaries of preliminary sections 273 and 292 to the south-east corner of the latter; thence southerly along the western boundaries of preliminary section 296 and section 266 to the south-western corner of the latter; thence south-westerly by a straight line to the south-western corner of preliminary section 295; thence southerly by the production of the eastern side of road west of said section to the southern boundary of section 894; thence westerly along said boundary to a point about 1,400 links east of the south-western corner of said section; thence south-westerly to the south-eastern corner of preliminary section 268; thence south-south-westerly to the southern boundary of section 263 to a point about 500 links west of its south-eastern corner; thence south-westerly to the point of commencement.
