- (d) remain at the place, except—
  - (i) for the purposes of obtaining medical care or medical supplies; or
  - (ii) in any other emergency situation; or
  - (iii) for any reason approved in advance by the State Co-ordinator or his delegate or an authorised officer; and
- (e) take reasonable steps to ensure that no other person enters the place unless that other person usually lives at the place, or the other person is also complying with self-quarantine requirements, or for medical or emergency purposes.

**Note—**

A person who is, or who claims to be, an essential traveller under a provision of Schedule 1 must not bring another person into South Australia with them, unless—

- (a) the other person is, or claims to be, an essential traveller; or

- (3) In this clause—

*overseas arrival* means a person who arrives in South Australia from overseas by any means, including—

- (b) a person who arrives at a port in South Australia on a cruise ship.
