must reside and remain at that place, quarantined and segregated from other persons, for an additional 10 day period commencing on the conclusion of the 14 day quarantine period that applied to the person on their arrival in South Australia.

- (5) This clause does not apply to an essential traveller under Schedule 1 clause 2 (Commercial transport and freight services) if the person produces to an authorised officer (on request) evidence of a COVID-19 test, or a COVID-19 test result, relating to a test undertaken by the person within the preceding 7 days.
