## **Division 2—Financial matters**

### **26—Ingoing contributions**

- (1) Subject to subsection (2), an ingoing contribution must be held in trust (in an ADI account or in a form of investment in which trustees are authorised by statute to invest trust money) until the person by or on whose behalf the ingoing contribution was paid enters into occupation of the residence.  
Maximum penalty: \$35 000.
- (2) The Minister may, on the application of an operator, grant an exemption from subsection (1) if satisfied of the operator's capacity and willingness to provide residences in accordance with a contract entered into between the operator and a prospective resident.

- (3) An exemption may be conditional or unconditional and if an operator contravenes or fails to comply with a condition of an exemption, the operator will be guilty of an offence.

Maximum penalty: \$10 000.

## 27—Exit entitlements

- (1) This section applies despite the terms of a residence contract (but subject to any order of the Tribunal under subsection (7)).
- (2) If a residence contract provides for payment of an exit entitlement when certain conditions specified in the contract are fulfilled, the resident (or a person claiming under the resident) may recover the amount payable as a debt from the operator, for the time being, of the retirement village when—
- (a) the specified conditions are fulfilled; or
  - (b) either—
    - (i) a period of 18 months has elapsed since the resident ceased to reside in the retirement village; or
    - (ii) a period of not less than 18 months has elapsed since the resident gave the operator a notice in accordance with subsection (3) (being a notice that has not since been withdrawn in accordance with subsection (4)(b)) and a period of not less than 3 months has elapsed since the resident delivered up vacant possession of the residence; or
  - (c) the operator agrees to pay the exit entitlement to the resident,
- whichever occurs first.
- (3) A resident gives an operator notice in accordance with this subsection if—
- (a) the resident gives the operator a notice, in writing and in accordance with any other prescribed requirements, advising the operator that the resident—
    - (i) intends to cease to reside in the residence in the retirement village; but
    - (ii) wishes to remain in occupation of the residence until the exit entitlement becomes payable in accordance with subsection (2); and
  - (b) a period of 10 business days has elapsed since the notice was given to the operator; and
  - (c) any previous such notice given by the resident to the operator was withdrawn at least 6 months before this notice was given to the operator.
- (4) A resident who gives an operator notice in accordance with subsection (3)—
- (a) is, by giving such notice, taken to have agreed to comply with the prescribed requirements for the period during which the resident remains in occupation of the residence pursuant to the notice (and those requirements will, for the purposes of this Act, be taken to be terms of the residence contract during that period); and
  - (b) may withdraw the notice at any time with the agreement of the operator.

- (5) If—
- (a) an amount becomes payable to a person in accordance with subsection (2)(b); and
  - (b) that amount should, in accordance with the residence contract, be calculated based on the consideration paid on sale of a right to reside in the retirement village; and
  - (c) the sale referred to in paragraph (b) has not yet occurred,

the following provisions apply:

- (d) the person to whom the exit entitlement is payable may, by written notice given to the operator of the retirement village within the prescribed period, elect not to receive the payment at that time but to wait until the exit entitlement becomes payable in accordance with subsection (2)(a);
  - (e) if the person does not so elect—the amount payable must be calculated in the manner provided in the residence contract but as if the consideration paid on sale of the relevant right to reside in the retirement village was the current market value of that right.
- (6) For the avoidance of doubt, if a resident receives a payment in accordance with subsection (2)(b), that payment is taken to be the exit entitlement for the purposes of the contract (and is not subject to any adjustment when the conditions specified in the contract for payment of the exit entitlement later occur).
- (7) The Tribunal may, on the application of the operator of the retirement village made within the period of 18 months referred to in subsection (2)(b), extend that period if satisfied that special circumstances exist.
- (8) In considering an application under subsection (7), the Tribunal must have regard to—
- (a) the financial hardship likely to be suffered by the operator if the order were not made; and
  - (b) whether the operator has taken reasonable steps to fulfil the conditions specified in the residence contract for the payment of the exit entitlement.
- (9) The Tribunal may, when making an order under subsection (7), make any consequential or ancillary orders it thinks fit.
- (10) The rights of a resident to payment of an exit entitlement are a charge on land in the retirement village other than—
- (a) a residence owned by a resident; or
  - (b) common property in a community retirement village,
- provided that the charge only operates to the extent of the ingoing contribution paid by the resident.
- (11) Despite the *Real Property Act 1886*, the charge referred to above ranks in priority to any other mortgage, charge or encumbrance over the land to which the charge relates.
- (12) The charge referred to above can only be enforced—
- (a) with the approval of the Supreme Court; and
  - (b) subject to any conditions to which the Supreme Court's approval is subject.

- 
- (13) If the Supreme Court approves the enforcement of the charge it may, subject to the conditions stipulated by the Court, be enforced in the same way as a mortgage registered under the *Real Property Act 1886*.
- (14) If the Supreme Court approves the enforcement of the charge in a case where the operator is not the village land owner, the village land owner may, subject to any order of the Supreme Court, recover the amount of the charge so enforced from the operator as a debt.
- (15) If an operator fails to pay the whole or any part of an exit entitlement within 10 business days after the resident becomes entitled to recover the amount as a debt in accordance with this section, the operator is guilty of an offence.
- Maximum penalty: \$5 000.
- Expiation fee: \$315.
- (16) If a resident of a retirement village disagrees with the operator's determination of the market value of the right to reside in a residence made for the purposes of determining an exit entitlement, the resident may require the operator to obtain an independent valuation in accordance with any requirements prescribed by the regulations (and in such a case the operator may recover half of the costs of obtaining the valuation from the resident as a debt or by subsequently deducting those costs from the resident's exit entitlement).
- (17) A reference in this section to a *resident* includes—
- (a) any person who has entered into a residence contract (whether or not the person has entered into occupation of the residence); and
  - (b) any person who has entered into a residence contract but has not entered into occupation of the residence as a result of a failure of the operator to comply with a term or condition in the residence contract,

and such a person will, for the purposes of this section, be taken to have ceased to reside in the residence on the day on which the person gave written notice to the operator that he or she did not intend to enter into occupation of the residence and wished to terminate the residence contract.

## **28—Payment of capital fund contributions deducted from exit entitlement**

- (1) If an amount is deducted from an exit entitlement as a contribution to a capital fund, the operator of the retirement village must pay that amount into the relevant fund or account—
- (a) within 10 business days after making the deduction; or
  - (b) if subsection (2) applies—in accordance with subsection (2).
- Maximum penalty: \$5 000.
- (2) If an exit entitlement is paid to a resident in accordance with section 27(2)(b), the operator may, instead of paying an amount deducted from it into a fund or account within 10 business days (in accordance with subsection (1)(a)), pay the amount into the relevant fund or account—
- (a) if the operator determines that the residence will not be subject to another residence contract—at any time before the end of the financial year in which the exit entitlement was paid; or

- (b) in any other case—at any time before another person enters into occupation of the residence,

provided that the operator must keep a record of the outstanding payments, and identify them in any relevant financial statements prepared for the purposes of this Act (while those payments remain outstanding).

## **29—Arrangements if resident is absent or leaves**

- (1) If a resident is absent from a retirement village for a continuous period of at least 28 days, the resident is not liable to pay, in respect of a period of absence after those 28 days, any amount in respect of any personal service that the retirement village (or the operator) ceases to provide to the resident because of his or her absence from the retirement village.
- (2) If a resident ceases to reside in a retirement village—
  - (a) the resident ceases to be liable to pay any amount (other than an amount that has already accrued) in respect of any personal service that the retirement village (or the operator) formerly provided to the resident; and
  - (b) the operator must assume responsibility for the payment of any recurrent charges in respect of the residence formerly occupied by the resident, or otherwise payable by the resident in connection with the retirement village (other than with respect to any amount attributable to a charge that has already accrued).
- (3) If—
  - (a) an operator must assume responsibility for recurrent charges on account of a resident ceasing to reside in a retirement village; and
  - (b) the resident is entitled to the payment of an exit entitlement,then the operator is entitled, subject to subsection (4), to recover from the resident an amount equal to the amount paid by the operator for recurrent charges that would otherwise have been payable by the resident over the prescribed period.
- (4) An amount recoverable under subsection (3)—
  - (a) cannot exceed the amount of the exit entitlement payable to the resident (and if it would exceed that amount, the amount recoverable under subsection (3) must be reduced so as to equal the amount of the exit entitlement payable to the resident); and
  - (b) cannot be recovered until the exit entitlement is due to be paid to the resident (and may then be recovered as a deduction from the exit entitlement payable to the resident).
- (5) For the purposes of subsection (3), the *prescribed period*, in relation to a resident who has ceased to reside in a retirement village, is—
  - (a) unless paragraph (b) applies—the period of 6 months from the day on which the resident ceased to reside in the retirement village; or
  - (b) if the Tribunal has, on the application of the operator, determined that the prescribed period for the purposes of that subsection should in the circumstances of the particular case be longer than 6 months—the period determined by the Tribunal,

subject to the qualification that the prescribed period will in any event come to an end when the residence occupied by the resident before he or she left the retirement village is resold or relicensed, or otherwise taken over or occupied by another resident.

- (6) The Tribunal should not make a determination extending the prescribed period under subsection (5) unless the Tribunal is satisfied that in the circumstances of the particular case it would be harsh and unreasonable to limit the prescribed period to 6 months.
- (7) If—
- (a) a resident is liable to pay an amount in respect of any other charges that may accrue after he or she has ceased to reside in a retirement village; and
  - (b) the resident is entitled to the payment of an exit entitlement,
- then the operator is not entitled to recover the amount until the exit entitlement is due to be paid to the resident (and the amount may then be recovered as a deduction from the exit entitlement payable to the resident).
- (8) If an operator does not make 1 or more payments for which the operator must assume responsibility under subsection (2)(b) at the same time as the resident would have been required to make the payments if he or she had remained in the retirement village, the operator—
- (a) must keep a record of the outstanding payments, and identify them in any relevant financial statements prepared for the purposes of this Act (while those payments remain outstanding); and
  - (b) must make the outstanding payments before any other person enters into occupation of the residence; and
  - (c) must not attempt to recover the outstanding payments by increasing the recurrent charges payable by other residents.

Maximum penalty: \$5 000.

- (9) In this section—

*personal service* means a service provided to a resident individually (rather than to residents generally).

### **30—Arrangements if resident leaves to enter residential aged care facility**

- (1) A resident of a retirement village—
- (a) who has been approved under the *Aged Care Act 1997* of the Commonwealth to enter into residential care at an aged care facility provided by an approved provider under that Act; and
  - (b) who, in order to do so, chooses to pay a refundable accommodation deposit under that Act; and
  - (c) who does not have ready access to funds to make the payment, or whose personal finances would be seriously affected by any such payment; and
  - (d) who will be entitled, on conditions specified in the residence contract being fulfilled or otherwise in accordance with section 27, to payment of an exit entitlement,

may, within 60 days after being so approved for entry into the facility or ceasing to reside in the village (whichever is the later), apply to the operator for payments to be made to the aged care facility on behalf of the resident under this section.

- (2) The operator may require a resident to provide evidence of a kind prescribed by regulation with an application under subsection (1).
- (3) The operator must, within 30 days after receiving an application properly made under this section, commence making payments to the aged care facility for the daily accommodation payment applicable to the resident's care at the aged care facility.
- (4) The operator must continue to make the payments referred to in subsection (3) until—
  - (a) the total amount of the payments made by the operator on behalf of the resident under this section equals 85% of the operator's reasonable estimate of the amount of the resident's exit entitlement; or
  - (b) the resident becomes entitled to be paid the resident's exit entitlement, whichever occurs first.
- (5) If an operator fails to pay an amount as required under this section, the operator is guilty of an offence.  
Maximum penalty: \$5 000.  
Expiation fee: \$315.
- (6) An operator may recover all amounts paid on behalf of a resident under this section by deducting the total of such amounts from the resident's exit entitlement.

### **31—Certain taxes, costs and charges must not be charged to residents**

- (1) Subject to subsection (2), land tax payable in respect of any of the land comprising a retirement village is not recoverable by the taxpayer directly or indirectly from the residents of the village.
- (2) Subsection (1) does not prevent a taxpayer from recovering directly from the resident of a residence land tax payable in respect of that residence and its appurtenant land if the residence is not being occupied by the resident as his or her principal place of residence.
- (3) Subject to this Act, the operator of a retirement village must assume responsibility for—
  - (a) costs relating to the depreciation, amortisation or writing-off of assets of the retirement village; and
  - (b) costs incurred by the operator in obtaining legal advice or undertaking legal proceedings relating to the retirement village; and
  - (c) fines or other penalties incurred by the operator; and
  - (d) fees, charges or other monetary amounts payable by the operator in respect of newly constructed residences in a retirement village that are not yet subject to a residence contract,

and must not attempt to recover these amounts by increasing the recurrent charges payable by residents.

- 
- (4) Despite any provision of a residence contract or other agreement, a resident or prospective resident is not liable to pay recurrent or other charges relating to a residence in a retirement village (other than an ingoing contribution) in respect of a period before he or she entered into occupation of the residence.

### **32—Rights in relation to remarketing**

If—

- (a) a residence contract includes conditions that make the payment of an exit entitlement, or any part of an exit entitlement, contingent on the subsequent sale of a right of occupation of the premises; and
- (b) a period of 9 months has elapsed since the resident—
  - (i) ceased to reside in the retirement village; or
  - (ii) gave the operator a notice in accordance with section 27(3) (being a notice that has not since been withdrawn in accordance with section 27(4)(b)),

- (5) The Tribunal may refuse to determine an application under this section if the Tribunal considers that it is appropriate to do so for any reason.
- (6) The Tribunal may make an order under this section notwithstanding that it provides a remedy in the nature of an injunction or order for specific performance in circumstances in which that remedy would not otherwise be available.

- (1) If 1 or more residence contracts in force in relation to a retirement village immediately before the commencement of this clause do not make provision for dealing with surplus and deficits, the operator of the village must, within 6 months after the commencement of this clause, hold a meeting of the residents to adopt a policy as to the manner in which a surplus or a deficit will be dealt with in relation to the village.
- (2) A policy is only adopted if it is approved by a special resolution at the meeting of residents.
- (3) The operator must, as soon as practicable after a policy is adopted under this clause, make the policy available for inspection by residents (in a manner that ensures it is easily accessible by residents).
- (4) If an operator fails to have a policy adopted as required by this clause, the policy set out in the regulations for the purposes of this clause will be taken to have been adopted in relation to the retirement village.
- (5) A policy adopted, or taken to be adopted, under this clause in relation to a retirement village applies to each residence contract in force in relation to the village that does not make provision for dealing with surplus and deficits as if the policy formed part of the residence contract.
- (6) In this clause—

*deficit* means a deficit in the accounts relating to recurrent charges of a retirement village for any financial year commencing after the commencement of this section;

*surplus* means a surplus in the accounts relating to recurrent charges of a retirement village for any financial year.

## 12—Proceedings

*Residential Tenancies Tribunal* means the Tribunal established under the *Residential Tenancies Act 1995*;

**Tribunal** means the South Australian Civil and Administrative Tribunal established under the *South Australian Civil and Administrative Tribunal Act 2013*.

- (2) A right to make any application or to seek a review under the repealed Act with respect to any matter in existence before the relevant day, with the effect that the relevant proceedings would have been commenced before the Residential Tenancies Tribunal, will be exercised as if this Act had been in operation before the right arose, so that the relevant proceedings may be commenced instead before the Tribunal.
- (3) Nothing in this clause affects a right to appeal to the District Court against a decision, direction or order of the Residential Tenancies Tribunal made or given before the relevant day (as the right existed under section 39 of the repealed Act before the relevant day).

### **13—Application of offences under section 64**

A person does not commit an offence against section 64 in respect of a representation contained in, or made in relation to, a lease or other contract or agreement entered into before the commencement of that section.

### **14—Regulations**

- (1) The regulations may make provisions of a savings or transitional nature consequent on the repeal of the *Retirement Villages Act 1987* and the enactment of this Act.
- (2) For the avoidance of doubt, any such provision may, if the regulations so provide, have effect despite any specified provision of this Act (including a provision of this Schedule).
- (3) Any such provision may, if the regulations so provide, take effect from the date of commencement of the provision of this Act to which the provision relates or a later date.
- (4) To the extent to which any such provision takes effect from a date that is earlier than the date of its publication in the Gazette, the provision does not operate so as—
  - (a) to affect, in a manner prejudicial to any person (other than the State or an authority of the State), the rights of that person existing before the date of its publication; or
  - (b) to impose liabilities on any person (other than the State or an authority of the State) in respect of anything done or omitted to be done before the date of its publication.
