If the service of a person in the employment of the Corporation is continuous with his or her service in the employment of the Government of the Commonwealth or of this State or any other State of the Commonwealth or in the employment of any other employer approved by the Minister, the Corporation must, when calculating the recreation leave, sick leave and long service leave to be granted to that person in respect of his or her service in the employment of the Corporation—
(a) grant in addition to that leave any accrued leave to which that person is entitled in respect of his or her service in that previous employment; or
(b) if that person has no such entitlement to any accrued leave, take into account his or her period of service in that previous employment as if it were service in the employment of the Corporation.

temporarily close a road or part of a road, or cause such directions to be given as are necessary to control the movement of pedestrians and vehicular traffic on a road or part of a road, during the making of a film being produced by or on behalf of the Corporation or the other person (as the case may be).
